"Our Constitution was made only for a *moral and religious people*. It is wholly inadequate for the government of any other." John Adams

This was not about a single election but the very integrity of our election system.

There was something *outrageous with frightening consequences* in this presidential election. President Trump had months even years of massive rallies with 25,000 to 40,000 people a day. There were boat parades, car caravans and tremendous support, yet the man who *hunkered down in his basement with very few appearances* reportedly *won the election. How is that possible?*

There is *serious evidence of massive fraud and corruption. This was not about a single election but the very integrity of our election system!* The *Dominion Voting Systems* were used in *all six-swing states* that was first used to keep *Venezuela dictator Hugo Chavez in office!* How many truckloads of ballots should be allowed to be delivered after the voting deadline? How many *dead people* should be *allowed to vote?*

"A nation can survive its fools, even the ambitious. *But it cannot survive treason from within.... for the traitor appears not to be a traitor...he rots the soul... he infects the body politic so that it can no longer resist.*" Cicero

Lincoln predicted that America would never be defeated by an enemy from outside our borders. But if we are defeated, it will come from within our borders.

America's Founding Fathers knew that for our Constitution to function, it **required a belief in God!** Founding Father John Adams explained it best when he wrote; "We have no government armed with power which is capable of contending with human passions *unbridled by morality and religion. Our Constitution was made for a moral and religious people; it is wholly inadequate for the government of any other.*"

The Founders knew that for our system of government to function, it **required an indispensable belief in God and His absolute values.** As our nation loses that belief, our Constitution becomes *ineffectual*. Without the virtues of a Biblically believing people, the *social order underpinning our democracy becomes tyrannical-* one of force, doing *whatever is needed to gain power.* As Stalin wrote, "You have to ***break a few eggs*** to make an omelet." When God was removed from schools, ***God becomes nonexistent – irrelevant to this generation!***

Repentance and Prayers for Revival, part 1 #1700

A God sent revival is a magnificent culture-changing ***gift***. True revival is an outpouring of the Holy Spirit with manifestations of God's power in people. **Jonathan Cahn**, author of *The Harbinger II*, says, "We've had the *darkest year in our lives* with a plague that shut down our economy and lawlessness that threatened to tear our nation apart." That's why God called for repentance and prayers for revival in Washington, DC. This CD features cuts with speakers like **Dr James Dobson** and **Pastor Carter Conlon** of *Times Square Church*.

The First Great Awakening came in 1740 with Jonathan Edwards who wrote, "It broke out upon slumbering churches like a ***bolt of lightning out of a clear blue sky.***" There may be "man-made, strummed up *revival services*" but ***before*** a real **God sent revival**, people must ***feel the pain or fear the reality of imminent judgment***, then they cry out to God for help. Founding Father George Mason correctly stated at the 1787 Constitutional Convention,

"As nations can't be rewarded or punished in the next world, so they must be in this world. By an ***inevitable chain of causes and effects, Providence punishes national sins through national calamities.***"

Prior generations recognized that ***national calamities were caused by national sins***, so they turned to God and repented and prayed for his help.

America no longer leads the world in righteousness but leads the world in sin. Americans are living in a fantasy world, not only calling good evil and evil good, but also celebrating evil! Let's face it; we've become a

degenerate, hedonistic culture obsessed with materialism, humanism, sin and pleasure leading to destruction and death. We are over due for judgment.

Repentance and Prayers for Revival, part 2 #1701

We have taken God and His blessings for granted. In 1776, Founding Father Thomas Payne said, *“What we obtain too cheaply we esteem too lightly. You will never know what it has cost my generation to preserve your freedom. I hope you will make good use of it.”* There is not a blessing we enjoy today that hasn’t been *baptized with the blood, sweat, and tears of our forefathers*, who considered liberty more important than their lives. From 1607 until the US Supreme Court eliminated it in 1962, **PUBLIC SCHOOLS taught the Bible and prayed daily!! That’s 355 years of school prayer and Bible reading. This was a Christian nation!**

- Patrick Henry summed up the beliefs of the Founders: *“Our nation wasn’t founded by religionists but by Christians! Not on religion but on the gospel of Jesus Christ.”*
- William Penn, founder of Pennsylvania, said, *“Men will be either governed by God, or ruled by tyrants.”*
- Founding Father Thomas Jefferson said,

*“God who gave us life gave us liberty. Can the liberties of a nation be secure when we have removed a **conviction that these liberties are the gift of God?** Indeed ***I tremble for my country*** when I reflect that God is just, that ***his justice cannot sleep forever.***”*

He is saying that the bedrock of our freedom is the concept that it’s a **GIFT from God**. If we remove that concept, as we’ve done in our schools, we will face God’s judgment. Because with that gift comes responsibility. Jefferson *trembled for our nation, because he knew that God’s judgment could look like what actually happened in ancient Israel:*

*“The Lord will send on you curses, confusion and rebuke until you are destroyed and come to sudden ruin because of **the evil you have done in forsaking him**. The Lord will plague (*Covid?*) you with wasting diseases, tumors that can’t be cured (cancers?); with madness, blindness and confusion of mind. You will be **unsuccessful in everything you do**. You will eat the flesh of your sons and daughters.”* Deut 28

If you think that was just *God in the Old Testament, remember the Nazi holocaust that slaughtered millions! Remember in 70 AD The Roman legions ransacked Jerusalem and slaughtered and enslaved the people! Read in the New Testament book of Revelation:*

*“...The sun was given **power to scorch people with fire** and seared them with intense heat...men gnawed their **tongues in agony** and cursed God because of their pain and their sores! **Huge hailstones about a hundred pounds each fell upon people**. When he opened the Abyss, locusts came down **like scorpions to torture them**. During those days men will **seek death**, but will not find it; they will long to die, but death will elude them.”*

If you think that ***God’s judgment in the Old Testament was severe, consider the torture forever in HELL!***

America is following the same pattern as ancient Israel

In the face of a relentless onslaught of evil, the American Church has grown timid and fearful. **Jonathan Cahn**, organizer of *The Return* (to God) in Washington, DC in September, said, *“America is following the same pattern as ancient Israel, **warring against God, shortly before God destroyed Israel.**”* **Rick Scarborough** says, *“Our cultural degeneration is the fault of pastors whose gospel isn’t impacting our culture.”*

For pastors, God’s “watchmen on the wall,” to *remain above the fray, above the culture war* – which is a spiritual war is **treason against Christ’s teaching to be salt and light**. Jesus said to be lukewarm is nauseating to him. He will spit you out! **Neutrality in times of moral crisis is treason.**

Racism is a Spiritual Problem, part 1 # 1698

Jack Brewer, former pro-football star said, *“Racism is a spiritual problem therefore it has to have a spiritual solution! God created people in all colors and loves them as they are. Moses’ brother Aaron and sister Miriam criticized Moses for marrying a black woman. God’s anger **burned against them and turned Miriam into a leper**. Moses pleaded with the Lord to heal his sister, and God put her outside the camp for 7 days before she was healed. **God is not pleased with racial prejudice.**”*

When liberals criticized Trump for being racist, pro-football star **Hershal Walker** considered it an insult to him personally. He and Donald have been personal friends for decades even going to Disneyland together! Can't you imagine President Trump riding in "*It's a Small World*" in his business suit?

Bible **teacher John MacArthur** has not been politically active until Democrat controlled California ordered his church closed to indoor worship due to Covid even though abortion clinics, bars, casinos and *Black Lives* protests are **allowed as essential services**. He said, "The Democrat Party has adopted a *platform that's abhorrent to God with all the sins of Romans chapter 1; abortion, homosexual marriage and leaving God out of their platform.*" *Why should Sodom have more harsh punishment than America? **Sodom had no Bible**, no Gospel, and no preachers to warn of the consequences of sin! We are responsible for the gospel we have! Which is huge!*

Biden Pledges To Sign Bill That Would Force Public Schools To Allow Male 'trans' Athletes Into Girls' Sports.

Massachusetts Dems push radical ROE Act: Abortions until birth (i.e. infanticide), deny life-saving medical care to babies born alive (just let a live baby struggle for life and die on the cold table), and allow for girls under the age of 16 to abort without parental consent, and allow non-physicians to perform abortions. These Dems are pushing laws that lead to infanticide, killing the baby after birth, like abortionist Kermit Gosnell.

Oregon Shuts Down Christian Schools In Name Of COVID While Keeping Public Schools Open!

Oregon Gov. Kate Brown has **openly discriminated against Christians** targeting Christian schools. *Alliance Defending Freedom* filed a lawsuit on behalf of *Hermiston Christian School*, which was told that they would be allowed to reopen in the fall. So they spent thousands of dollars to meet the state's health and safety requirements before the governor pulled the rug out from under them.

It gets worse. The state permits private religious schools, such as *Hermiston*, to serve as day care facilities; meaning children are present at the schools, but the teachers who monitor the children are not allowed to teach these children — the same kids who attend their school — or they face 30 days in jail or a \$1,250 fine.

Christian educators can watch one of their students for hours on end, but if they teach a child math during that time, they could be arrested.

Shockingly, that's not all. The nearby public school allowed to *reopen is a one-room schoolhouse*, while *Hermiston*, which has *eight rooms and a 10,000-square-foot gym*, had to remain closed! So Covid only infects kids in Christian schools? This double standard is not only nonsensical, it's unconstitutional. If the state is not

held accountable for its double standard, *Hermiston Christian School* and many other private religious schools in the state might soon cease to exist.

How far will secularist go to punish Christians?

In North Korea, those who are found with a Bible or religious pamphlets are tied to wooden stakes and executed by a firing squad. One witness after the execution said, ***"I saw their flesh fall off.*** Some are forced into metal cages (3 feet high by 4 feet wide) with electrified steel bars. They usually last only three or four hours in the cage, but I sat there for 12 hours and prayed for God to save me."

Their crimes evoke thoughts of Auschwitz

North Korean pregnant women were forced to get an injection to trigger birth to live babies, and then their newborns would be taken, ***smothered using plastic sheets or cloth sacks, and then discarded in a cupboard.***

Are we far behind them?

America has raised a **socialist generation** to ***believe in government, not God*** and trust in humanism to create a socialist *equality for all*. Idealistic young people have been persuaded away from capitalism and toward ***socialism since they were taught that capitalism helps the rich but oppresses the poor and that Marxism helps the poor.*** They never heard the truth. ***That socialism and communism don't help the poor but slaughters them.***

Jesus wept over what he knew was coming to Jerusalem

As Jesus approached Jerusalem and saw the city, he wept over it and said, "If you, even you, had only known on this day what would bring you peace—but now it is hidden from your eyes. The days will come upon you when your enemies will build an embankment against you and encircle you and hem you in on every side. They will dash you to the ground, you and the children within your walls. They will not leave one stone on another, because you did not recognize the time of God's coming to you." Lk 19:41-45

Jesus said, "Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a ***hen gathers her chicks under her wings***, and you were not willing." Lk 13:34 After a **forest fire** in *Yellowstone National Park*, forest rangers found a bird literally petrified in ashes, perched like a statue on the ground at the base of a tree. The rangers knocked over the **ashen bird** with a stick. When he struck the bird, three tiny ***chicks scurried out from under their dead mother's wings***. The loving mother, keenly aware of impending disaster, had ***gathered them under her wings***. She could have ***flown to safety*** but had refused to ***abandon*** her babies. When the the heat had scorched her small body, the mother had remained steadfast. ***Because she had been willing to die, those baby birds under the cover of her wings would live.***

More Than Just Another Election, part 2 #1699

Cuban refugee **Max Alvarez** says he has heard the *same liberal promises* when he lived in Cuba from Castro. The lies of the liberals will cost us our freedom and bring the oppression of tyranny. **President Trump** delivered a fascinating acceptance speech warning that if the radicals get into power, ***taxes go up and the wall comes down.***

Choosing America's Future, part 1 #1696

Why are young Americans rioting and tearing down statues and going to war with their own country? Left wing radicals have indoctrinated students into Marxism! Cut of **President Trump** saying we need to teach true history! Cuts from **Captain Sean Parnell**: Army Ranger, Parnell was in combat for 485 days of fierce fighting along the Afghan-Pakistan border. Captain Sean Parnell ***fused*** his platoon into one of the ***most fierce and effective fighting units in modern military history***. Repeatedly outnumbered and outgunned, Sean's "Outlaws" battled furiously and ***killed over 350 enemy fighters***. When his platoon was nearly overrun, by a force that outnumbered them ***ten to one***, Parnell refused to leave his men and battled the enemy at ***point-blank range!*** He was wounded several times but returned to his feet to lead his men again. His selfless example prompted one of his Soldiers to remark later, "Sean Parnell saved us all."

Mark and Patricia McCloskey

Cuts of **Mark and Patricia McCloskey** who defended their home from an angry mob that broke down the gates to their community and threatened to burn down the McCloskey's home. But the McCloskey's stood ***valiantly in front of their home with their guns, threatening the mob***. Instead of the mob being prosecuted, left-wing local officials in St. Louis are prosecuting the McCloskey's. The McCloskeys warned about the danger conservatives are facing as liberals compile "enemies lists" of Trump supporters. Mark McCloskey said:

"What country do we live in? Is this Stalinist Russia? I'm shocked that in the USA major politicians are actually talking about creating a list of political adversaries for retribution. That's not democracy. That's totalitarianism."

Choosing Life for the Babies, part 2 #1697

Abortion is not just a political issue, nor just a human rights issue, but a spiritual issue. Only God should determine **life and death**. Cut of **President Trump's** compelling speech at the *March for Life*. **Abby Johnson** was a director of a *Planned Parenthood* abortuary who saw a baby desperately struggling for life before the suction machine dismembered it. That changed her into a strong prolife spokeswoman. **Gianna Jessen**, who survived an abortion attempt, gives one of the most profound/powerful speeches before the Australian Parliament!

Many pastors say they don't discuss politics. Does that mean they would have remained silent on slavery?

Would they have **taken sides in the Revolutionary War for Independence** from Britain? Jesus said, "If the salt loses its saltiness, it's good for nothing except to be thrown out and trampled on by men."

The great horrors of the gas chambers didn't begin in Auschwitz. They began in the minds of people who had forgotten God and abandoned His absolute values, who made the state their god in determining who lived and who died. **The road to Auschwitz was built by hate but paved with indifference.** Hitler's message to pastors was, "You worry about getting people to heaven and **leave this world to me.**" That sounds a lot like those pastors who hide behind the *separation of church & state* or say, "I just preach the gospel."

Martin Luther stated, "Christianity is not Christianity until it **impacts the culture**. It's cowardice to claim you're preaching the gospel **if it doesn't impact your culture. Anything else is empty religiosity!**"

Most German Pastors did nothing as cattle cars filled with Jews rumbled down the train tracks to the gas chambers. Some churches may have been near the tracks and even heard the desperate screams from the Jews being led to slaughter, but they only sang louder to drown out the screams from desperate people!

Out of 18,000 German pastors, only about 200 pastors refused to sign a loyalty oath to Hitler. The other 17,800 chose Hitler over Christ. (Astounding!)

Hitler's death camp had these words; "I freed Germany from the stupid and degrading fallacies of conscience and morality." The result: a room stuffed with thousands of pounds of women's hair, gas ovens, castrated children..." Dostoevsky, "If God is dead, everything is justifiable."

Killing children is the epitome of EVIL

One of the harbingers (warnings) from God, that precede His judgment, is murdering unborn children and brazenly celebrating the killing of them. If Nazi Germany deserved destruction for their holocaust murdering 6 million Jews, how much more does a nation like ours deserve it? We have murdered **TEN TIMES** more, **tearing apart, butchering and burning alive 63 million innocent children inside their mother! Killed by the very ones who were entrusted to protect them, their mothers! Government leaders and those who voted them into office are ALL accomplices to murder. (period!!)**

Are Biden & Harris God's Judgment for our degenerate nation?

- Kamal Harris is **evil beyond imagination!** She prosecuted the guy who exposed *Planned Parenthood* selling baby body parts, instead of *Planned Parenthood*.
- Kamala Harris's ancestor Hamilton Brown owned seven plantations in Jamaica in 1817 with **200 slaves**. Kamala Harris is closer to the lineage of **slave owners** than **slaves**. —Dinesh D'Souza
- How ironic that the Republican Party who freed the slaves is called "racist" by the Democrat Party that owned slaves and started the KKK!
- How ironic that people who have **never owned slaves should pay slavery reparations to people who have never been slaves**.

Gang Leader's Conversion, #1704

One of the greatest demonstrations of God's power is converting an impossible sinner to Christ. **Casey Diaz**, author of *The Shot Caller*- was the 'shot caller' who decided who lived and who died. Locked in an 8x10 foot cell without windows, no books, radio or TV, no visitors, caused many men to go crazy. **But prison walls can't keep Jesus out.** Christ gave Casey a vision of his violent life, with Jesus on the cross looking at him saying, "I did

this for YOU!” It broke Casey. This hardened killer wept and wept. As a Christian, he was beaten by other prisoners but led many to Christ. Now Casey is a pastor and is free.

When God Became a Man, part 1#1706

The greatest event in all history was that the Creator of the universe became a single cell, then a baby, the man Jesus Christ. That’s what Christmas is all about! **Pastor Francis Chan**, author of *Crazy Love, Forgotten God and Erasing Hell*, gives an impassioned Christmas message exclaiming how God emptied himself and left heaven to become a man! *God exchanged His omniscience for a human brain and body. Instead of overseeing a hundred billion galaxies at once, he looked at a crowded street in Jerusalem. Does God want close contact, even intimacy with us? Jesus gave up heaven for it.* Jesus reestablished the original link between God and humans, between the seen and unseen worlds. Think about that!!

As a spirit being, God *had never felt physical pain*. He learned about pain through personal experience. Because of Jesus, God fully understands what it means to be human. From Jesus, we can learn how God feels about tragedies. Look at how Jesus responds to the sister’s of his good friend, Lazarus.

In this life-changing message, Francis exclaims, “God became a man! *Are you kidding me? The Creator of the universe became a man?* Somehow this spectacular miracle has to *compete with Santa*, new clothes, jewelry and Christmas trees?” The greatest gift isn’t Christmas *presents*, but *Christ’s presence* with us. The message of Christmas is *Emanuel which means God with us*. He is beside us in the E-R or at a gravesite of a loved one or at a low point in our life. He is there for us, *even within us* as he promised in John 14.

When Jesus was in heaven, he *didn’t hold on to his life* but gave it up to come to earth to *salvage* those who would believe in him! As Php 2:6 says,

“Who being in very nature God, did not consider equality with *God something to be grasped, but made himself nothing*, taking the very nature of a servant, being made in human likeness, he humbled himself, became obedient to death even death on a cross.”

Francis Chan said, “Jesus gave up his exalted position in heaven, to make himself NOTHING, becoming a servant and dying for other people’s sins. *Imagine this was the first time you ever heard this.* The first time a tribe in New Guinea heard that the Creator sent his one and only son to earth to die so they could be *completely forgiven* for everything bad they ever did, *their response was celebration! They jumped up and down for hours rejoicing, singing and praising God.*” *That should be our response also.*

If you want to know what God is like, look at Jesus! Jesus dispels the misconceptions about God. Jesus shows us that God isn’t distant, uncaring or angry but loving, patient and kind. God the Father is seen in Jesus seeking out sinners, the down and out! He ate with them and *loved them* into the Kingdom of God. He was a joy to be around. He showed us what our Heavenly Father is really like.

Purpose for the Creation of the Universe!

The whole universe, including this planet, was created for the *glory of God* and a place for mankind to live and provide a *bride for God’s Son to be with Him for all eternity*. It was for this tiny minority of people *who would receive Christ as their Savior* that God created this universe! This is God’s primary goal in all human history simply to gather a bride and *companion for His Son for eternity*. WOW! Amen?

The Love of Jesus, part 2 #1707

It’s amazing that the God who created everything from nothing came to earth as a single cell. **Bruce Marchiano**, the gifted actor who played the part of Jesus in more movies than any other actor, gives a profound description of the joy and wonder of Jesus Christ. Jesus was a *man of love and joy* demonstrating the Kingdom with miraculous signs. He came to serve and give people healing and life, but many, to their own detriment, walked away. God gave up the riches of heaven to live a humble life and die for others. God in the flesh describes Himself as gentle and humble. He is a sensitive man full of love for lost people.

What was God like as he walked in sandals? *People enjoyed being around Jesus*. Children liked to tug on his clothes and crawl on his lap. He washed people’s feet and went to their parties. He healed the severed ear of the very one arresting him. He rescued the soul of that poor wretch who was crucified next to him.

Christ and the Crimson Worm, #1705

On the Cross, Jesus began the first line in the prophetic Psalms 22, "My God, my God, why have You forsaken me?" And in 22:6 says, "I am a *worm* and not a man." Would Jesus refer to himself as a worm? The *tolath* or crimson worm is a symbol of Christ, as the mother worm dies on a tree, she exudes a bright red fluid, like the blood of Christ! **Dr Jobe Martin**, author of *The Evolution of a Creationist*, gives examples disproving evolution, like the bombardier beetle that has all its parts created *at the same time*, and the giraffe that has a blood vessel system created fully formed, not bit by bit. Creatures that defy evolution prove a Creator!

Is Jesus Coming Soon? #1702

Are we close to the rapture where believers will ascend into the sky and be transformed into a spirit body? The rapture, according to prophecy expert **Dr David Reagan**, founder of *Lamb & Lion Ministries* and author of *Living on Borrowed Time – The Imminent Return of Jesus, could occur at any time, even months or years before the Tribulation*. Reagan said, "Before satellite TV, people couldn't understand how God's witnesses in Rev 11 could be seen worldwide. *Smart phones, holograms & virtual reality show prophecy is becoming reality*. Israelites said Jeremiah was a false prophet, and God would never destroy Israel since they had His Temple. They were wrong. God did destroy Israel, and He will destroy America if we don't repent.

Giving Thanks, #1703

Schools teach that Thanksgiving was a feast when the Pilgrims gave thanks to the Indians *instead of to God*. **Peter Marshall**, author of *The Light and The Glory*, said, "The Pilgrims didn't come here for religious freedom. They already had religious freedom in Holland after they fled persecution in England. *They came here as missionaries, to bring the gospel to the Indians.*"

Thanksgiving was a celebration for what God had done!

The Pilgrims entered *their starving time*, the winter of 1621, where they were reduced to a daily ration of *five kernels of corn each*. That's all you eat for a day! How could just *five kernels of corn a day sustain life*? Yet not one died of starvation. **God had mercy on them**. God provided an Indian who spoke English named **Samoset**, who knew English and taught the Pilgrims how to communicate with the Indians who taught them how to plant seeds with pieces of fish to fertilize the seed. Thanksgiving was 3 days of fun, games and feasting with Indians! *The Pilgrims learned through their struggles to trust God implicitly!* Peter Marshall, *The Light & The Glory*

Reflections

PRAYER is not a "spare wheel" that you use when you're in trouble, but it is a steering wheel that directs you throughout your life... Why are windshields in cars *so large* but the *rear view mirror so small*? Because what's **past** is not as important as what's ahead in your **future**.

FRIENDSHIP is like a book. It only takes *seconds to burn* but takes *years to write*.

WORRYING doesn't take *away* tomorrow's troubles; it takes away **today's peace**.

To those who ask why you voted for Trump, tell them:

- You didn't *just vote for a person*, but for our *freedoms and our future!* You voted for the *lives of unborn babies*. You voted for the *Bill of Rights* and the freedom of speech, religion and your right to own a firearm.
- You voted for **capitalism** instead of *Democrat socialism*. You voted for the police, law and order and our military, and the veterans who fought for our country. You voted for the right to *worship Almighty God* anywhere, and to assemble with fellow believers!

Then ask them exactly what did they vote for?

There have been *decisive times* in our history when *our future* was determined. We are at a *defining* moment as our nation is in *grave danger*, because it's at war with the *will and purposes of God*. We are on a *collision course with God*. All of America's brilliance and wealth couldn't stop a microscopic virus from shutting down our nation as never before. Our wealth and scientific achievements are no match for the *Creator of trillions of galaxies*. Our nation's future hangs in the balance between God's *mercy* and God's *judgment*.

The Harbinger II, parts 1 & 2 #1692 & 1693

Jonathan Cahn, author of *The Harbinger II – the Return*, said, "It was **19 years** after Babylon's first invasion of Israel that Israel was destroyed. 19 years ago, on 9/11 2001, America was invaded. **The pattern is 19 years!** That means *without prayer and repentance, America could also be destroyed*. America is following the same pattern and getting the same harbingers (warnings) that God gave Israel before it was destroyed.

America may have forgotten God's Ten Commandments, but God hasn't forgotten them!

We are still accountable for them.

Some people say America is too big, too far-gone, too diverse to turn back to God. But God says, “If ONLY MY PEOPLE, who are called by My Name will humble themselves and pray...He will forgive and heal our nation.” 2nd Chronicles 7:14 was written to ancient Israel, but it applies to America, because this nation also made a Covenant with God like Israel.

- President Trump, in May of 2017, signed an executive ***order to remove the threat from the IRS*** when pastors speak out on behalf of political candidates. Trump said, “For too long the federal government has used its power as a weapon against people of faith. You’re now in a position to say what you want!”

Donald Trump has done more for bringing peace to the Middle East than any president in our history, yet he has not won the Peace Prize! Why? Is it because he is a conservative and a Christian?

The Eternal focus

In 2008, I (Bob Boyd) had quadruple by-pass surgery for blocked arteries. Since then, with prayer and the Lord’s help, I have been without angina (chest pains) until recently. Now I am being treated with non-invasive EECF in which large blood pressure-like cuffs are wrapped around my legs to inflate between heartbeats and force the blood to open clogged arteries. It really works. I’ve had it several times before. But as we age, I’m 74 and Geri is 70, we’ve become more focused on ***our eternal mansions in heaven.***

Many mansions

Jesus said, “In my Father’s house are ***many mansions.***” I think there was a smile on Jesus’ face when he said that. *He’s the One who made them.* But when we consider how the Lord could easily *brush all humanity off the face of the earth and start over*, he could speak the universe *out of existence* and He eventually will. But the most amazing thing in this physical universe is His love for us. **He really loves us.** He loves us in spite of our sinful natures. *That’s why he has given us a new nature, transforming us into his likeness.* But there’s coming a day when the Lord will take us off the earth, either in the **Rapture**, or through our death, and put us in a new city – **the New Jerusalem** – that will come down out of heaven! That’s where we will live with the Lord forever! There’s only one way to get there. Jesus said, “I am the way.” Belief in Him is the only way to heaven!

✓ Democrat IRONIES

- Russians influencing our elections are bad, but ***illegals voting*** in our elections are good.
- Only in America can you get arrested for ***opening your own business but not for looting one.***
- Russia didn’t donate to Trump but gave the *Clinton Foundation* \$145,600,00, yet ***Trump was investigated.***
- Liberals say there is *no such thing as male/female gender* but they want a ***female*** Vice-President.
- We see other countries going Socialist *and collapsing*, but it seems like a ***great plan to liberals.***
- If you cheat to get into college you go to prison, but if you cheat to get into the country you get free college!

The hope Christ gives

Hope is the best part of life. The hope Christ gives stretches out ***before us gloriously into an eternity of experiences*** that will get better and better and better. The hope of Heaven ***empowers us to live well*** in this broken world that is passing away. In heaven, there will be no crying, death or pain – ***forever happiness! In the New universe, we will live with ceaseless joy and ecstasy. This hope gives us courage to endure suffering and sorrow.*** The best part of our lives is ahead – stored up for us in heaven, awaiting our arrival. When we graduate to heaven our soul-joy will instantly expand – exponentially! ***Jesus Lives*** - Sarah Young

God is *rapturously* happy. He doesn’t just get by, God *flourishes*. Imagine the pleasure he takes in *what he has created*. You know how you feel after serving the delicious dinner, typing the magnificent term paper. Or admiring a beautiful brick wall you built. Or Michelangelo gazing up at the Sistine Chapel dome. ***What do you think surged through God the moment after a billion galaxies came into being?*** After standing back to take in the panorama, he rested – not to catch his breath from exhaustion but to **savor the moment.**

When God Weeps- Joni Erickson Tada

God told Job that as the earth’s foundations were laid “all the angels ***shouted for joy.***” They ***fell prostrate at the sight! It’s impossible to grasp that heavenly scene! It’s out of this world! What a celebration of JOY awaits us!***
