“Give me four years to teach the children and the seed I have sown will never be uprooted.” Vladimir Lenin

**“The past six years the FBI and DoJ have literally become the enforcement arm of the Democratic Party”**

Former Director of *National Intelligence* John Ratcliffe

“Never before in American history have we seen *corruption of this kind and on this scale*. Even when the nation was hopelessly divided in the run-up to the Civil War, the government didn’t persecute opponents of the ruling party. The Democrats and the left have thrown off all restraint and showed *their contempt for the American political process and hatred for the American people*. The double standard is a scandal beyond measure. Those who should be enforcing the law are the most corrupt.” John Ratcliffe, Breitbart, 8/14/22

**FBI Raid Backfires on Democrats**

We are in a battle for our country and the left *elites are becoming more desperate* as they see millions of conservatives **waking up**. The raid on Trump’s Florida home was a raw, tyrannical abuse of government power. The *intolerant* and *totalitarian* left has *criminalized politics and weaponized* the *Department of Justice* and the FBI to an unprecedented degree. Why? The left, the Marxist-Democrats, *despise and fear* President Trump! They don’t want him re-elected, and they don’t want the 75 million patriotic Americans who supported him to even have a chance to vote for him or any conservative to Congress ever again. They will smear and destroy any conservative who threatens their grip on power including Florida Governor Ron DeSantis.

**The raid on Mar-a-Lago was unprecedented in its audacity!**

FBI agents spent more than nine hours rummaging through Trump’s home. They even went through the former first lady’s clothes! Harvard Law Professor Alan Dershowitz said this raid was “absolutely outrageous and unconstitutional.” **This is the left’s ongoing assault against our rights and liberty.**

**To the left, the U.S. flag is a symbol of white supremacy and oppression.**

Some leftists claim to be emotionally disturbed when they see pickup trucks flying American flags. They support anyone who kneels in disrespect during our national anthem. But they **love the LGBTQ flag**. They have kicked the *Pledge of Allegiance* out of schools. Whether it’s Castro, Stalin, Mao or Chavez, *the pattern* is always the same. Before the left seizes power, it despises police, the military and the church. But once their revolution succeeds, the left loves the police, the military, and puppet-led churches so they can **‘control’** political enemies.

“Independent and Republican voters are *united in their outrage* about **this gestapo-style raid on President Trump’s home**. It has created a voting surge that’s so significant, *the polling doesn’t even begin to reflect what is coming from grassroots voters* in November.” Mark Meckler, the president of the *Convention of States*.

**The FBI raid on Trump’s estate has increased the chances of a Republican groundswell in November!** More than 80 percent of Republicans and more than 70 percent of Independents said it made them more motivated to vote in this November election. With the FBI’s raid on Trump’s Mar-A-Lago home, the radical left is signaling its intent to *crush all opposition*. They are purposefully waging war on Trump to send a clear message to all patriotic Americans, “We’re coming for you next!”

The Democrats have created an army of 87,000 new IRS agents plus the existing 74,454 agents to harass and intimidate citizens into silence and threaten them with jail, or confiscation of their property, if they don’t **pay their share of the incomprehensible \$30 trillion debt** the government has **squandered**.

**The IRS stockpile of 4,600 guns and 5 million rounds of ammunition is downright unnerving.**

“It’s unclear whom agents plan to shoot. A recent IRS job posting says applicants must **“be willing to use deadly force.”** Democrats voted in lockstep to take **\$80 billion from taxpayers to supersize the IRS**. A possible 87,000 new agents are a force larger than the combined personnel on all 11 US aircraft carriers. Four times the number of Border Patrol agents. Enough to fill every seat in Madison Square Garden four times.” NY Post 8/13/22

### **Former Deputy Assistant Director of the FBI**

"This is not an isolated event. ***This is part of a revolution!*** The people in power are ***moving America towards communism.*** The precedent is in the Cuban Revolution, and the Russian Revolution. Everywhere a communist government has eventually taken over they go after their political enemies, and they use the police-state mentality to do it." **Terry Turchie, Former Deputy Assistant Director of the FBI**

The left-Democrats ***know they cheated in 2020.*** They know it's going to be harder to cheat again in 2024. The RNC has put together an army of poll watchers and many states have reformed voting procedures!

### **The Left-Marxist Democrats intend to have a one party rule. It's tyranny!**

It's now abundantly clear the Department of Justice and FBI are infested with leftists who don't intend to serve or even govern America but to ***rule over America.*** How else can you explain the political persecutions of; Gen. Mike Flynn, Peter Navarro, Roger Stone and Rudy Giuliani? While Hunter Biden or Hillary Clinton's home have never been raided by the FBI?

- If Donald Trump deleted all of his emails, wiped his server with Bleach bit and destroyed his phones with a hammer, *would the FBI suddenly assume him innocent and lose interest in him like they did Hillary Clinton?*
- Merrick Garland refuses to enforce the federal law prohibiting demonstrations outside Supreme Court justices' homes -- even as left-wing rhetoric whipped a wannabe assassin into a frenzy to try to kill a justice at home.
- Garland and the FBI went after ***parents attending school board meetings, but they continue to ignore the left-wing radicals who are firebombing crisis pregnancy centers and attacking churches.***

### **Biden Administration Priorities** US Capitol      US Border

That awkward moment when you handlers drop the strings but you're still on stage...

Donald Trump was not at Mar-a-Lago, but if he were, they would have dragged him and Melania out in their pajamas while agents searched his house! The raids are done in such a way as to create ***fear and trembling.*** You're dragged out into the streets in full view of your neighbors. You're publicly shamed and stand there for hours while your home is ransacked. Like the ***Gestapo did with the Jews.*** The left-Marxists are becoming ***a real threat!***

### **Schools of Marxism, pt 1, #1790**

**Pete Hegseth**, author of *Battle for the American Minds – Uprooting a Century of Miseducation*, says there's a master plan ***using schools*** to transform our culture from capitalist/Christian to Marxist/atheist. **Mark Levin** says the basis of our school system is Marxist. **Ray Moore**, President of *Exodus Mandate*, says churches should be schools. **Dr Robert Simonds** says the **NEA** promotes homosexuality and Islam. **Candace Owens** says classrooms have become predatory to children. **D. James Kennedy** says schools are ***expert at converting children to humanism.*** Pastor **Chuck Smith** says secular schools contribute to social problems.

Is it a surprise that after 16,000 hours of K-12 indoctrination, kids come out of public schools hating their own country? Having disdain for you and your Christianity. ***We spend more money on education than ever, but kids can barely read and write--let alone reason with discernment.*** Yet they're well informed on ***gender ideology.***

### **We've ceded our kids' minds to the left for far too long**

**Pete Hegseth** says no matter what ***political skirmishes conservatives win, progressives are winning the war--*** by controlling the minds of future citizens. We need to recover a ***lost philosophy of education - grounded in virtue and excellence*** - that can enliven future generations to fight for freedom.

### **Schools of Marxism, pt 2. #1791**

We are witnessing a spiritual war for the future of our nation using schoolchildren as pawns. **Alex Newman**, who wrote magazine articles in *The New American: Rescuing Our Children*, says there is a deliberate dumbing down of children using a reading method that's a ***proven failure*** to produce a people ***ignorant of history and functionally illiterate.*** The founders of public education, Horace Mann and John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism. Their socialism is working to transform our nation.

### Can we take back public schools?

Taking back schools is like **taking back brothels. They were never 'Christian' in the first place. They are doing exactly what they were designed to do**, i.e. create a worker class in a socialist culture. The founders of the public school movement, like John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism. Their socialism is working to transform our nation. Why would they want to change since it's doing what they want?

### **The Culture War is a Spiritual War**

Those who say **children are salt and light in the schools** are saying children **can be soldiers**. Can you imagine putting an over size uniform on a child, giving him a rifle, and putting him in a foxhole to fight the Taliban? No, of course not. Children need to be rescued from enemy territory. Hardened humanist educators have perfected **turning little Christian children into liberal Democrat Socialists**. There's no contest between a child and a **seasoned secular atheist** as statistics bear out. **Approximately 90% of Christian children lose the fight and lose their faith in the enemy pagan school system. Why would we want to throw them to the demonic lions to devour them?**

### **Public Schools Propagate Atheism**

When public schools first began in the mid 1800's, a theology professor, Archibald Hodge, wrote this classic quote:

**"The American system of popular education (public schools) will be the most *efficient instrument* for the *propagation of atheism* the world has ever seen." **He was exactly right! He was prophetic!****

Academics are secondary to **instilling secular values by removing moral and spiritual values! Jesus said a student will become like his teacher. Secular teachers produce secular students. Parents and churches are inadequate to counter the deadly evil done in an hour on Sunday morning to 30 hours a week of atheist training.**

### **Scripture is clear:**

- ✓ **"Do not conform to the pattern of this world, but be transformed by the renewing of your mind."** Ro 12:2
- ✓ **Jesus declared, "Love the Lord your God with all your heart and with all your soul and with all your mind."**

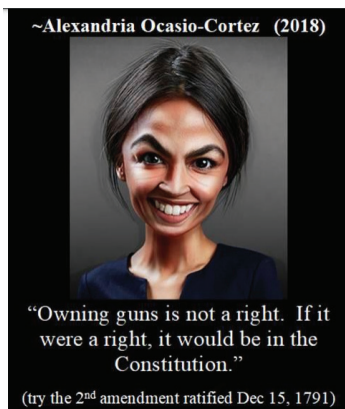

While Chinese third graders are learning *multi-variable calculus*, our third graders are being taught, **"Men can have babies." This will not end well for us.**

### **America is at risk.**

- ❑ While communist China prepares to **go to war with us**, countless hours are being spent *teaching our men and women in uniform to be sensitive about the proper pronouns to use, scheduling drag queen shows on U.S. military bases and educating our future officers at West Point about white supremacy*. Communist China is reportedly planning to invade Taiwan before Biden leaves office.
- ❑ Biden's transgender *Assistant Health Secretary* Rachel Levine and Sam Brinton attended the "French Bastille Day Party." These two biological men *in women's clothing* were on official business **as our representatives!**
- ❑ As high-level appointees, they are an **embarrassment to our nation**. This is the image we are presenting to the world! This administration flew the LGBTQ flag at our offices in the Vatican. Talk about insensitivity.
- ❑ Sam Brinton, the kink-loving **drag queen** wrote this, "I lead a staff of hundreds and a budget of millions. I'm responsible for over \$45 billion as the leader of the office overseeing the management of spent nuclear fuel."
- ❑ Brinton and Levine are not the only prominent members of the Biden administration who are openly LGBTQ+. The president's new press secretary, **Karine Jean-Pierre**, is a **lesbian** whose partner is CNN's National Correspondent Suzanne Malveaux, and they reportedly *share a child together*.
- ❑ **Pete Buttigieg**, who is married to his **male** partner, is our country's *Secretary of Transportation*.
- ❑ Biden has appointed over **200 known LGBTQ** people, the most in history!

### **The men of Sodom are leading this country!**

Ask your child or grandchild if they believe they can be **whatever gender they choose to be**. You might be surprised at their answer. "Gender fluidity" is the message being taught to children in public schools. The Biden administration is **pushing aggressively** for boys to compete with girls and to share bathrooms and locker rooms!

Rachel and Sam Brinton

## Critical Gender Theory #1796

- Florida officials filed a complaint that could terminate the business license of a Miami bar that hosted “drag shows for children.” Other state officials should follow Florida’s lead.
- Twenty-two states are suing the Biden Administration to block its attempt to hold the federal *school lunch program* hostage to its **transgender** agenda.

LEFT'S WAR ON WOMEN: Lia Thomas  
Nominated by University of Pennsylvania for  
NCAA 'Woman of the Year' Award

The radical left has used public schools to *change our culture* by indoctrinating naïve students into believing they can be *whatever gender they choose*. **Chris Rufo** exposes how teachers are taught to teach *that male and female are simply “social constructs”* that oppress *nonconforming students*. Chris Rufo, a fellow at the *Manhattan Institute*, has documents showing that teacher training workshops teach teachers in San Diego’s public schools (K-12) to teach that *heterosexuality is a system of oppression and eliminate the words man and woman* to encourage kids to *adopt synthetic gender identities like gender queer, two spirit, pan-sexual*, etc. Chris said, “This is a pattern we’re seeing all across the country but schools hide what they’re doing so they can tell uninformed parents – NOT IN OUR SCHOOL.”

***The gall to take other people’s children and corrupt them and get paid to do it.***

Parents want schools to teach academics, math, science, reading, etc., but schools have *a very different agenda*. Parents don’t want their kids used as *political pawns in this culture war*. Last year it was *critical ‘race’ theory*, this year it’s *critical ‘gender’ theory*. **What arrogance** for schools to take taxpayers money and teach the *opposite* of what parents want for their kids. *We pay more in tax money for education than any other country and this is what we get?* We not only get the worst academic results but *a radical indoctrination that’s not an education! As some naïve parents and pastors think, schools are the same as they’ve always been! The shock comes when little Johnnie comes home saying he is really a girl underneath and now calls himself Joanie and wants to wear a dress to school! SURPRISE!*

***“Be not conformed to the pattern of this world but be transformed by the renewing of your mind.”***

**Schools do just the opposite.** They transform a child’s most *basic identity* as a boy or girl to *confuse them into thinking they are a transsexual. No country in history has tried to convince kids to see themselves as the opposite sex, the opposite of what is reality!*

***It’s no longer the right vs the left, it’s crazy vs normal.***

Do the socialists really believe their **utopia** can be achieved once they *break down* enough children’s *basic identity* that will change our culture? Yes, they do and they are *doing just that*. Our Founders knew that 1) faith in God and 2) family stability were *our protection against enemy attacks*. So the Marxists intentionally are using school children to break down those two obstacles to remake America into a **Marxist** State.

- ✓ **“Only a virtuous people** are capable of freedom. As nations become more corrupt and vicious they have more **need of masters.**” Ben Franklin 1787
- ✓ George Washington clearly warned us what would happen if the *twin pillars* supporting good government were to ever be destroyed in America: “Of all the dispositions which lead to political prosperity, **religion** (Christianity) and **morality** are *indispensable supports.*”

**Voddie Bacham**, author of *The Ever Loving Truth- Can Faith Thrive in a Post-Christian Culture?*, was raised in the ghetto by a single Buddhist mom, surrounded by drugs and violence. Yet he earned a Master's and Doctorate degrees in theology, he says it’s time to take a stand for TRUTH!

***Take a Stand for Truth!***

Telemachus, a Christian monk who lived 1,600 years ago in a monastery near Rome was visiting Rome. He was swept up by a mob, and pushed into the coliseum. **He was horrified by what he saw.** He saw the *bloody gladiator fights* for the entertainment of the crowds. Telemachus was stunned and outraged! He jumped up and ran into the arena begging the Gladiators to stop fighting. But the crowd roared with laughter, until one of the gladiators **ran his sword through the small, unarmed man of God.** **Dying**, Telemachus didn't *beg for his life*. He only said one thing over and over... *"In the name of God, stop!" "In the name of God, stop!"* The crowd grew silent. One by one, people *left the coliseum*. That very day, the Emperor sealed a mandate ending the brutal gladiator contests *forever*. Telemachus **took a stand for Truth. It cost him his life, but in the name of TRUTH he changed Rome and history forever!** One man took a stand and changed the world. *It doesn't take many. Will you be one?*

Filmmaker **Matt Walsh** says schools need to stop lying to students and **tell them the truth! Stop lying to kids. They are either male or female not some in-between trans-sexual!**

- ❑ **Michael Gurian**, author of *Raising Boys By Design*, says boys learn differently than girls and need to be taught differently. Giving boys dolls turns the dolls into soldiers. Giving girls trucks turns the trucks into babies. There are ‘hard wired’ differences between males and females for *functional reasons*.

Try to get *eggs from roosters* or *milk from a bull* and you’ll see that gender really does matter, especially at **milking time**.

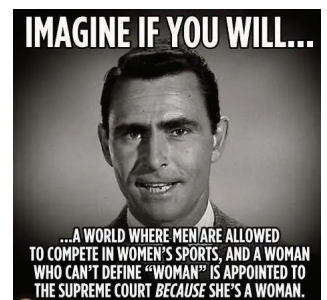

### Is Sex Different from Gender? #1794

In the confirmation hearings for the Supreme Court, Sen. **Josh Hawley** asked Berkeley Law Professor **Khiara Bridges**, who is now *confirmed and sits as a justice on the US Supreme Court*, what she meant when she referred to “people with the capacity for pregnancy, *was she referring to women?* No, she *wasn’t referring to women* but to trans-**men**, who are *women trying to look like men*, who are capable of pregnancy. Then she accused Hawley of committing “violence” against the trans people because, like most normal people, he knows that **only women get pregnant!** Look what a **threat to free speech** the left is. She tried to intimidate him like she did to her students!

**Matt Walsh** producer of *What is a Woman* gives a powerful speech to the Loudoun Country S.B. telling them that they are deceiving children by saying *masculine girls* are **boys**. That *feminine boys* are **girls!**

### Man Arrested For Opposing His Child’s Gender Transition

You couldn’t make this horror up. The left is legally institutionalizing the denial of a parent’s rights! A Canadian father *was arrested after he violated a court order* and called his daughter “**she**” and not “**he**”! Liberty One News 8/17/22

The questions our culture needs to answer are these: **is truth absolute or relative?** Does everyone get to make up **their own definitions** or do words have **meaning for everyone?** Jesus takes all this confusion out of it. Jesus said, 'From the beginning of creation, “**God made them male and female.**” There have always been masculine girls (tomboys). **That doesn’t make them boys any more than feminine boys are girls.**

The ultimate agenda of **gender ideology** is an **attack on God** Himself to undermine the **truth of the Bible**, obscure the gospel and **turn reality into fiction**. Satan in the *Garden of Eden* told Adam and Eve that they can be like God.

This is the same lie being perpetuated in public schools telling children that they can decide for themselves what’s right and wrong – no MATTER WHAT GOD SAYS! That they can redefine their own gender, have their own truth and in essence, become their **own little gods and correct God Almighty!**

### The Shock of 9/11 #1797

How would you overcome extreme fear and panic and remain calm if you were in the World Trade Center’s towering inferno on 9/11, and you were completely **blind?** Listen to a total triumph of trust in this horrific catastrophe as a blind man, **Michael Hingston**, describes his miraculous survival in the face of imminent death. **Michael Hingston**, the national ambassador for the *Braille Literacy Campaign*, is the author of *Thunder Dog*. Although Roselle, Mike’s guide dog, was intensely focused on guiding him to safety, she remained calm and even gave a firefighter a kiss on his final trip up the stairs.

### Righteousness Exalts A Nation #1795

When half the Christians don’t vote, how are they being the salt Christ told us to be? Pastor **Bishop EW Jackson**, says, “In this country **we choose our leaders**. Socialism eliminates freedom and brings economic stagnation and oppression. God is not finished with America and wants to bring victory and revival if God’s people do their part. Do we want socialism or limited government under our Constitution?” He gives *a most powerful, passionate oration* using the Bible to motivate Christians.

### How to Transform Our Nation #1793

Most Christians are unaware of the spiritual assault on our nation and don’t know how to counter it. **David Barton** of *Wallbuilders* says the church has the wrong strategy by focusing on *conversion and not discipleship*. Jesus had huge crowds but the **crowds didn’t change the world**. It was the **dozen mentored disciples** who did. The *War for*

*Independence* was won with local victories. To change America, we need to focus on our local battles. John Quincy Adams was mentored to become one of America's greatest Founders.

### Freedom To Pray at School #1792

How can a coach's *silent prayer by himself* on the football field *be unconstitutional*? It's not any longer. The Supreme Court has made a *complete paradigm shift!* Now, with three **Trump** appointed justices on the Court, **Joe Kennedy's** prayers on the football field have been upheld as *Constitutionally protected*. The Court showed by a 6 to 3 vote, they *will support the rights of Christians* in public schools. Let the ACLU bring religious freedom cases and they *will lose just like they did in this landmark case*.

In 2015, *Bremerton High School* ordered coach **Joe Kennedy** not to bow his head or kneel since this could be perceived as "religious," *and might influence students*. Incredible! Even though it was a short, fleeting –15-second – prayer by himself, he was *fired for bowing and kneeling* after the games on the midfield to give God thanks. He was told that this *overt public display was so offensive, it was criminal*. He would have to **do it** in private where no *one would see him*. So many *other Christians* are intimidated into silence and hide their faith.

### The coach had every reason not to pray. He could lose his job. It was against the law!

Coach Joe Kennedy *would not be intimidated*. He wasn't a quitter. He had served our nation as a US Marine for 20 years to fight to protect our freedoms, and he wasn't about to give them away because of his school. *He was fired but he sued the school!* Coach Joe lost in both the district court and the 9<sup>th</sup> Circuit Court of Appeals. **Five times he lost in court after court** but he kept pressing his case for over **7 long years** of court appearances and court costs of over **\$6-7 million dollars**. But some things are worth FIGHTING FOR. Some things are *worth dying for*.

### Daniel was told not to pray.

Three times every day, Daniel bowed down on his knees to pray! Even though Daniel knew law, he opened the windows and prayed just as he always had done. The king became upset and had Daniel thrown alive into a den of hungry lions. The next morning, King Darius ran to the lions' den and called to Daniel. Daniel answered, "My God sent his angel to close the lions' mouths." The king had those who had accused him and their wives and children thrown into the lions' den. The lions grabbed them before they hit the floor and ate their bodies! Daniel 6:10-28

Daniel in the Lions Den by Bob Boyd

### For Jesus, praying was more important than food or sleep as he spent many nights praying all night.

The attorney who won the case, **Jeremy Dys**, of *First Liberty* said; "Because of this landmark case we now have more religious freedom than any time in our life time! **We do not give up our religious freedom** when we *walk into a public school any longer.*" **Kelly Shakelford** of *First Liberty* noted how Justice Gorsuch lambasted the school for going out of their way to *silence, censor and discriminate* against the coach for exercising his First Amendment freedoms and showed intolerance and suppression of his Constitutional freedoms.

**David Barton** said our First Amendment Freedoms had been totally eliminated by liberal Supreme Court Justices in our public schools, and Barton gives a litany of prior Court's outrageous cases violating our religious freedoms! Public schools saw it as their *duty, their mission, to seek and destroy anything vaguely Christian and turn our nation from Christian to anti-Christian*.

**It's amazing** to think how the atheist left, the ACLU and other legal bullies, had convinced the Supreme Court to violate and to steal our freedom for 50 years! **FIFTY YEARS of eliminating everything religious** is what happens in Communist China or Russia. The First Amendment **GIVES** us freedom of religion and speech but it was completely turned around to **DENY** us our precious freedoms. Thank God this prayer has been answered!

**"Banning school prayer set into motion the most spectacular decline of any civilization in history."** D James Kennedy

Joe Kennedy's silent prayer wasn't *imposing anything on anybody!* But the First Amendment has been incorrectly used as a *hammer to silence Christians with this phony 'separating of church and state'*. There's no mention of a church or state in the First Amendment but it says, "Congress shall **make no law respecting an establishment of religion**, or prohibiting the free exercise thereof." Did you read a word about "church" or

“state?” No! Because *it’s not in any of our Founding documents but made up by a satanic Supreme Court.* Just think of the enormous damage this erroneous interpretation has wreaked on our nation.

Before prayer was banned, the worst problems at school were; chewing gum, running in the halls, and not putting paper in the wastebasket. After prayer was taken out of schools by the Supreme Court, the problems are; rape, robbery, assault, murder, arson, gang warfare, drugs, pregnancy and abortion referrals. We went from a Christian to a secular/pagan nation! *When the Bible was removed, metal detectors and police tried to take its place. The risks of violence to teens is greater at school than any other place. Most young people grow up without faith in God because they’ve been disciplined into secularism/atheism. We can’t let this massive victory keep Christians silent any longer. We either use our rights or lose them.*

**The American public and Christians in particular need to be made aware that with the 3 new Trump appointed Supreme Court Justices, the lie of “separation of church and state” is GONE. Let’s take back what belongs to us! Our religious freedom, yes even in public schools. We’ve been oppressed long enough.**

### **Biden’s Abortion “Emergency”**

Joe Biden and congressional liberals are deeply worried that the number of *aborted babies may drop this year*, that more *babies will be born alive*. While liberals were closing businesses, churches and schools, they declared that abortion clinics were “essential services” that had to stay open. They were so concerned about COVID deaths but now are afraid that *more babies will live!* Biden’s order will ensure that *chemicals will be used to kill defenseless babies!* These “**baby insecticides**” *if used on an enemy population*, would be *war crimes*. But the president wants to ensure that these chemicals are readily and widely available in every community to destroy preborn babies. *Nothing makes the left angrier than any effort to lower the death toll among preborn children.*

### **The Diabolic Lie of Abortion, pt 1, #1788**

**Mark Spence**, VP of outreach at *Living Waters*, asked a young couple about abortion. They said they believed in treating others as they would like to be treated but that doesn’t apply to unborn babies, since it’s not a person! **Dr Bernard Nathanson** helped make abortion legal, and aborted 75,000 babies, says he was converted to be pro-life and Christian and made a sonogram of an abortion in “Silent Scream” demonstrating what abortion really is. **Mark Davis** says “privacy” is not a constitutional justification to kill babies! It’s a baby and killing it is murder.

### **The Diabolic Lie of Abortion, pt 2, #1789**

We have a generation that is historically illiterate. (Cuts of college students who say they’ve never heard of Adolph Hitler.) The minds of people are changed from pro-abortion to pro-life by watching a documentary comparing Hitler’s holocaust to America’s abortion holocaust of millions of babies. **Ray Comfort**, producer of the film entitled “180”, makes people think! Killing innocent children in abortion is similar to killing Jews in Nazi Germany. *To say it’s a woman’s choice is comparable to saying it was Hitler’s choice to kill Jews.*

### **Choosing Your Child’s Future #1799**

What is the PURPOSE of educating a child? Just to learn academics? Don’t ask what kind of education is best, ask *what kind of person do you want them to become?* **Bob Gannage** says schools omit God in creation and history. He sold encyclopedias so he could educate his kids himself. **RC Sproul, Jr**, a home school expert, says home schooling *is a joy* that produces children who relate well with people of all ages. **Ed Gandy** built a \$4 million school and hired public school teachers from his church to give his church kids a Christian education.

Why do expensive church buildings sit empty during the week and the kids are sent to **an anti-Christian school** down the street? **What will it take for Christians to get their kids out of the government schools?**

*All it takes is a little motivation!*

A man walking home from work took a short cut through the cemetery. He didn't see the open grave and fell right into it. He immediately started desperately trying to get out. But his best efforts failed. He sat in a corner of the grave until a drunk *stumbled into the grave*. The drunk *tried to climb out*, clawing frantically at the sides. Our hero reached out his hand, touched the drunk on the leg, and said, "*Friend, you can't get out of here...*" *But he did. That's motivation. That's the kind of motivation Christians need to get their kids out of pagan public schools!*

### **The Heavens Declare the Glory Of God! #1798**

The heavens declare the glory of God, yet secular astronomers say distant starlight that takes billions of light years to get to earth proves the universe is *billions of years old*. The chief astronomer at the *Franklyn Institute* says, “I am baffled *how and why* the universe came into existence! Here’s an astronomer looking into the magnificence of

deep space but missing the *evidence for the Creator!* How could such an educated man not know **why the Creator** created the universe and what *will eventually happen to it?* 2<sup>nd</sup> Peter 3:10 “The heavens will disappear with a roar and the elements will be destroyed by fire.” Now that’s real GLOBAL WARMING! The universe will be **un-CREATED** so God can make a new heavens and earth!

- ❑ “The god of this age (Satan) has **blinded the minds of unbelievers!** 2 Cor 4:4
- ❑ “The heavens **declare the glory of God**; the skies proclaim the work of *his hands*.<sup>2</sup> Day after day they pour forth *speech*; night after night they **reveal knowledge**.” PS 19:1-2
- ❑ Jesus said, “I praise you, Father, Lord of heaven and earth, because you have *hidden these things from the wise and learned*, and revealed them to little children.”

**Ken Ham**, founder of *Answers in Genesis* and author of *Creation to Babel*, says God created starlight that is seen on earth **immediately when He created the stars**. God did **not create the distant stars and wait** for their light to reach earth, but created the **starlight instantly** to appear on earth when he created the stars.

To say that a *princess kissed a frog and it turned into a prince* is a **fairy tale**. But add the magic factor – **TIME** – and billions of years, and an **illogical idea** (frogs evolved into men) now becomes scientific?

The teacher said to a little Christian girl was physically impossible for a whale to swallow a human because its throat was very small. The little girl stated that **Jonah was swallowed by a whale**. Irritated, the teacher reiterated that a whale *could not swallow a human*; it was physically impossible. The little girl said, “When I get to heaven **I will ask Jonah**.” The teacher asked, “**What if Jonah went to hell?**” **The little girl replied, “Then you ask him”**.

### **The more you learn about the universe, the more you can trust our AWESOME, Almighty God!**

No subject is more fascinating than when **God is included** in astronomy! **Dr Jonathan Henry**, says God created the massive stars and vastness of the universe, to show how incredibly awesome He is. There are more stars than *all the grains of sand on all the deserts and beaches on earth*. For God, Who **overfills the entire physical and spiritual universes**, your problems are minuscule! “**It is I who made the earth and created mankind on it. My own Hands stretched out the heavens.**” Isaiah 45 **Louie Giglio** gives an exhilarating description of the MASSIVE stars!

### **God merely spoke and galaxies whirled into space.**

God’s creation in the spiritual and physical universes are just a *small sample* of what He can do. **Dr Richard Swenson**, author of *More Than Meets The Eye – Fascinating Glimpses of God’s Power and Design*, describes the wonders of the brain -the most **complex arrangement of matter in the universe**. God works **in between time**, and can even **freeze time**, even make the sun go back *in time* to give *more time*. “The physical universe may be a **tiny molecule on God’s throne**.” God merely spoke and the universe was created, but to **pay for your sins, it cost God an infinite price and horrible suffering to bear your sins on the cross to forgive you of all your sins**.

### **You must vote!**

**THIS IS THE MOST IMPORTANT MIDTERM IN OUR HISTORY!** The only thing necessary for the triumph of evil is for good people to do nothing. We need turnout numbers **so big that cheating can’t overcome it!** Find at least one other person and **convince them to vote**. Our country is at a *tipping point*. This is not the time to give up! **This is a time to fight for America!** There is no perfect candidate on the ballot. **Vote and get others to vote!**

- Why do people order double cheeseburgers, large fries, then order a **diet coke**?
- This generation would **unplug your life support** just to *charge their cell phone*.
- The quickest way to double your money is to *fold it and put it back in your wallet*.
- Have you noticed “THE” and “IRS” spells “THEIRS”?
- If women do the same job for *less money*, why do companies hire men to do the same job for **more money**?

If Liberals don't believe in **biological gender**, why do they march for **women's rights**?
