“You are the salt of the earth. But what good is salt if it has lost its flavor? Can you make it salty again? It will be thrown out and trampled underfoot as worthless”  
Jesus Christ Mt 5:13.

Dear Brothers and Sisters in Christ,  
This election is not a *popularity contest*. Please **don't vote** for a president based on their *personality* but vote on their plans! **WE will live or die with their policies!** For all those who *don't like Trump's personality*, just think of **voting for his AGENDA**, because Harris' agenda is a *ruinous* socialist/communist disaster!

Kamala Harris opened her presidential campaign on *RuPaul's Drag Queen Show*. If this isn't proof that the Democrat Party is the party of moral **depravity/degeneracy** and sexual **perversion**, then what is? She wants perversion to supersede moral/Biblical values! Any Christian who votes for the *immorality of the Democrat Party* is voting for the judgement of God and the destruction of our nation. Remember S-o-d-o-m?

Kamala on trans RuPaul show

Kamala Harris, the *Border Czar*, did absolutely nothing to stop the invasion of millions of illegals. In fact, she supported and welcomed it. **Even now as VP she could close it.** Kamala's father was an **avowed Marxist** economics professor who indoctrinated students at Stanford. Her mother was a lawyer and **far-left** political commentator.

Democrat Presidential candidate Kamala Harris **wants:**

- Medicare **for all** (including illegals), which would **bankrupt** private medical insurance! To **defund the police**, stop oil drilling, maintain an open border, and reparations for Blacks for slavery that **we fought a civil war to correct!**
- To abolish ICE! Implement a **mandatory** gun buyback program!
- To grant citizenship to illegals *to increase Democrat voters!*

*She assisted* BLM rioters to be *released from jail*, which resulted in the deaths of 19 people! She is further left than Bernie Sanders and **is the most socialist, communist** presidential candidate in our history.

For political reasons, she is *retracting some of her radical policies*, but she has the same basic beliefs as she has always had. She would complete Obama's dream of radically "transforming our nation." Under her leadership, this nation would be **unrecognizable than it was just a few years ago**. If Kamala becomes president, **the lipstick will come off the pig**. We will face **degeneration beyond restoration**.

**Who is running our country now? Do we have an operational president?**

We have not had a **functional president** over the last *few years!* The Executive Branch has been led by an **unelected committee** that has conspired to keep the ailing Joe Biden hidden—not only from the public but from the rest of the government—while they ran the show! Biden is merely **a puppet** who doesn't know what day it is and who showed his incompetency when he became unravelled during the debate with Trump.

Biden has hardly ever met with his Cabinet members, much less held meetings of the entire Cabinet. Senior members of the White House staff took care of all of that, with one person admitting that the president was not engaged in the running of the Presidency. Special Council Robert Hur, investigating Biden's handling of classified

documents after he left office as Vice President, refused to press charges because he was an “elderly man with *diminished faculties* in advancing age!” Biden *not acting as President*. So who are the unelected people *pulling the strings*? ***We need to know who is making Biden’s decisions!*** Who are these unelected Marxists hiding who they are and what they were doing?

***Only the Democrats could replace the worst President in history with someone worse.***

Trump said, “It amazes me how **Jewish** people will vote for *Democrats*. Kamala Harris refused to even be present when Israeli PM Netanyahu was in Washington! She refused to even hear his speech. Even if you’re against Israel, just out of respect for Israel and Jewish people, *she should have shown up and listened to him speak.*”

***America is Bankrupt!***

Interest payments on our \$35 trillion national debt accounts for 76% of all personal income taxes collected. 76% (that’s \$3 out of every \$4!) of ALL personal income taxes goes to just paying *interest on the \$35 trillion national debt!* What a total *waste of money that goes to pay for government incompetence!* Who in their right mind would *vote for this*? It took *just the last 100 days to add a trillion dollars to the national debt*. We are headed non-stop into **bankruptcy**. ***We Spend more than \$1 BILLION A DAY just to pay the interest on our debt!***

***Kamala is campaigning on more insane spending to bankrupt our nation.***

The overwhelming portion of the taxes you pay as personal income tax are now going towards literally **nothing**. The Left Threatens Democracy. At the start of 2000, the U.S. federal government debt was \$5.77 trillion. By 2010, it had more than doubled to \$12.77 trillion. The debt reached \$23.22 trillion at the beginning of 2020. Now, it has climbed to \$35 trillion and growing rapidly.

***American Voter Eligibility Act***

The House of Representatives voted on the *Safeguard American Voter Eligibility Act, or SAVE Act*. The legislation would amend the 1993 Motor Voter law to require **proof of citizenship** when someone registers to vote to ensure that **illegal** aliens are *not voting* in our elections. Seems like a no-brainer, right? Who could possibly be against *ensuring the integrity of our elections*? Nearly 200 left-wing members of Congress, that’s who. Only five Democrats, just 2% of the House Democrats, voted for the SAVE Act. Just **five** *voted to protect our elections*, while 198 “progressives” *voted to allow illegal aliens to register to vote*.

Of course, liberals smeared the SAVE Act as “**racist**.” How is it *racist* to ensure the integrity of elections? But that’s left-wing logic. There is only one reason why the left-wingers don’t want elections determined by citizens and that’s **to make cheating easier**. They would rather **push the country to the edge of revolution** and burn down cities than allow conservatives to win an election.

MSNBC host Joy Reid said, “All that matters in this election is keeping that *insane ideology of white Christian nationalism and white supremacy and white male Christian dominance out of power.*” WOW!! That’s racism. That’s anti-Christian bigotry. She’s not even trying to hide it. Imagine if some conservative commentator said, “This election is all about keeping *black Muslim women* out of power.” They would be banned from every network. Don’t lose sight of the left’s demonization and vitriol that’s aimed at **conservative Christians**. The left has taken the **love of God and love of country** and made monsters out of them. If you love Jesus and love America, then you’re a “Christian nationalist” and a danger to democracy. No we’re not. They are!

***It’s obvious the left is a deadly danger to our democracy.***

The neo-Marxist left knows that there is no greater blow they can strike against religious liberty than to **kill the man** who gave us the best, the most conservative, Supreme Court in modern memory when it comes to religious liberty and the sanctity of life. This election is a referendum on whether America will embrace or reject the belief of our Founders that liberty **comes from God**, not **government**.

***Men and women of faith must vote like their freedom depends on it -- because it does.***

As Donald Trump came into the *Republican National Convention* with the gauze pad on his ear that had been shot, he seemed close to tears. Given the attempt on his life, he seemed overwhelmed by a sense of gratitude and humility. Why would Donald Trump *want to be President*

again? It's not for money. It's not for fame. He is a genuine patriot who loves this country and wants to save it from becoming a 3<sup>rd</sup> world COMMUNIST NATION!

Perhaps he was also thinking about everything he has gone through;

Baseless impeachments. Jailing of multiple members of his administration. An endless stream of lies and smears. 94 indictments from left-wing prosecutors who want to rig this election by putting their leading opponent in jail. The raid on his house with agents going through his wife's undergarments and with orders to shoot if necessary. An assassination attempt that **nearly took his life and did take the life of a devoted husband and father.**

**That's more than enough to break almost anyone.** Yet, Donald Trump keeps going. Why? The Marxist-Democrat Party's power over the media has allowed 24/7 attacks and harassment on Trump's accomplishments, businesses, his family, and massive legal assaults to bankrupt him. He endured impeachments, prosecutions, a Kangaroo court conviction, constant legal battles to keep him off the presidential ballot.

And even something so heinous as to **come from Hell itself, an attempt on his life.** There are physical and spiritual intentions to kill Trump, because of his resistance to globalism that he represents.

The biggest danger to our nation is not *just the incompetence of the Democrats*, but a populace capable of **entrusting such a corrupt party with the presidency.** Kamala is **just a symptom** of a much deeper and more serious problem! Changing the beliefs of the *depraved electorate that support her!*

What the left believes

The left believes the **police**, not violent **criminals**, are a threat to society.

The left believes America is an evil country, founded on slavery.

The left believes "green energy" will **magically** power our economy.

The left believes we have **no right** to control our own borders.

The left believes **massive government spending will reduce inflation.**

**Vote Biblically or Not At All**

*Issues in Education program #1899*

America was a model nation for the world. But now our nation is on the verge of God's judgment. **Why have pastors become silent on social and political issues?** Pastor **Jim Garlow**, author of *Well Versed – Biblical Answers to Today's Tough Issues*, says,

"It's not **just** about right vs left but **Biblical vs anti-Biblical.** Polls show Christians want their pastors to teach on **Biblical solutions to current issues**, but silence **from the pulpit has led to Biblical illiteracy.** Pastors self censor. There's never been a church lose it's tax exemption for speaking on politics!" **For example:**

- ❑ The US House approved (July of 2018) a bill allowing **churches to engage in politics** without losing tax-exempt Status. Pastors are also free to endorse candidates from their pulpit as private citizens.
- ❑ In 2016, Robert **Jeffress**, pastor of a Dallas mega-church, publicly endorsed Donald Trump.
- ❑ Liberal churches like Jeremiah Wright's church, did endorse President Obama.
- ❑ President Trump, in May of 2017, signed an **executive order to remove the threat from the IRS** when **pastors speak out on behalf of political candidates.** Trump said, "For too long the federal government has used its power as a **weapon against people of faith.** Pastors! You're now in a position to say what you want to say. No one should be censoring your sermons or targeting you for exercising your free speech."

**Many pastors say they don't discuss politics. Does that mean they would have remained silent on slavery?**

**Politics is not our primary purpose, but it enables us to achieve our purpose - to propagate the gospel.**

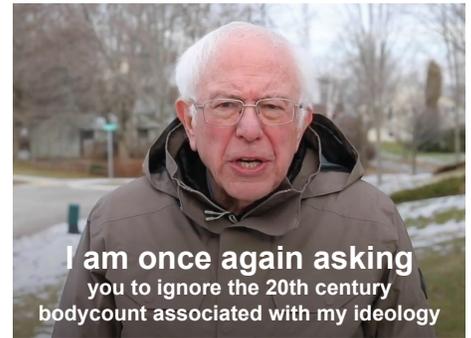

Gas chamber/crematorium- Auschwitz

**The Left Isn't Right**

*Issues in Education program #1898*

How has our nation gone from where evil is called good and good is called evil. Where Marxism and socialism are indoctrinated? Not long ago, **socialism, Marxism and communism** were abhorred! But after generations of indoctrination, **young people have become socialists even Marxists!** They have been indoctrinated to **hate their own country and reject capitalism!** Today **evil** is **called good and good is called evil.** **David Kupelian**, author of *The Marketing of Evil: How Radicals, Elitists, and Pseudo-Experts Sell Us Corruption Disguised As Freedom*, says "Within our lifetime, what was once abhorred has been

accepted as normal. Words have been changed to mean the *exact opposite* of what they used to mean. Tolerance means *intolerance for morality and Christianity*. The left has taken total control of the federal government so that it has become **the most divisive, deceitful and corrupt** in our history. They have a *breath-taking* contempt for our Constitution and balance of power given to us by our Founders.

- ➔ Taryn Hathaway of Salinas was told by her teacher that *drawing an American flag* with the words *God Bless America* was not allowed. How is *patriotism and belief in God eliminated except by an enemy?*
- ➔ *Kamala Harris supports a boy's "right" to be naked in a girls' locker room, if he feels he is a girl. That biological males can compete in women's sports.*

### Israel – Iran Conflict

*Issues in Education program #1900*

The religious leaders in Iran believe they can *accelerate the coming of their Muslim Messiah* by destroying Israel, and they may have the nuclear bomb and delivery system to do it – to *wipe Israel off the map*.

**An atomic Iran could do in 6 minutes what it took Hitler 6 years to do, kill 6 million Jews.**

**Mark Hitchcock**, author of *Iran and Israel*, says the stage is being set for a war between Iran, Russia and other countries against Israel. The deterrent for nuclear war with Russia was the deterrent that a **mutual assured destruction** (MAD) would keep each country from starting such a war. But the mullahs of Iran have no such concept for self-preservation. They have said repeatedly that they do not care about *losing a city or their nation if they could destroy Israel*. These **'CUKES with NUKES'** will not be stopped by threats of retaliation from Israel because of their *satanic* religion where *killing Jews means paradise for them in heaven*.

**Amir Tsarfati**, author of *Revealing Revelation*, says Israel's defense minister says it's imperative that their military prepare for a *first strike on Iran's nuclear facilities before Iran incinerates Israel*. Iran is anticipating the Israel air strike with Israel, so Iran has buried and hardened their nuclear facilities deep under ground and made some mobile making it very difficult to destroy. Especially with Russia supplying Iran with sophisticated defenses. Iranian leaders believe the only way to bring their Caliphate into world dominion is to *destroy Israel*.

**Greg Laurie** says that Iran (Persia), mentioned in Eze 38:5, attacks Israel in the end times which may lead to the war prophesied by Ezekiel where God intervenes to destroy the axis of evil – Israel's enemies. Although Israel has the 'iron dome' and other advanced weapons, more importantly Israel has Almighty God, who brought Israel into existence in 1948, who will fight for them. This is *not just a physical war but the spiritual war of the ages!*

### Make America Great Again p.1

*Issues in Education program #1894*

The President, the most powerful man in the world, has called MAGA (*Make America Great Again*) Republicans an extremist threat to the foundations of our nation. Trump advisor **Stephen Miller** said, "Biden does what Marxists do; accuse us of what they are doing." **Charlie Kirk**, founder of *Turning Point USA*, says Biden calls us a greater threat than communist Russia or China. **Ben Shapiro**, author of *Brainwashed – How Universities Indoctrinate America's Youth*, says this president sounds and acts more like a dictator than a president. MAGA Republicans are targets of the feds. Politics is a tool in the hands of God and His people.

### Make America Great Again p.2

*Issues in Education program #1895*

President Biden calls for unity while calling half the country a threat to democracy. Biden says courageous conservatives with a gun are no match for an F-15 fighter jet. Florida Gov. **Ron DeSantis** said, "Biden has violated his oath of office by opening the border to millions of illegals." **Curtis Bowers**, filmmaker of *Agenda 2-Masters of Deceit – Grinding America Down*, says Marxists use censorship and lies to vilify their opponents. Cuts of **Donald Trump** calling the raid on his home a violation of law. When we win in November, we will take men out of women's sports, take out CRT and transsexualism from schools.

### America's Marxist Public Schools, pt 1,

*Issues in Education program #1892*

**Pete Hegseth**, author of *Battle for the American Minds – Uprooting a Century of Miseducation*, says there's a master plan *using schools* to transform our culture from capitalist/Christian to Marxist/atheist. **Mark Levin** says the basis of our school system is Marxist. **Ray Moore**, President of *Exodus Mandate*, says churches should be schools. **Dr Robert Simonds** says the **NEA** promotes homosexuality and Islam. **Candace Owens** says

classrooms have become predatory to children. **D. James Kennedy** says schools are *expert at converting children to humanism*. Pastor **Chuck Smith** says secular schools contribute to social problems.

Is it a surprise that after 16,000 hours of K-12 indoctrination, kids come out of public schools hating their own country? Having disdain for you and your Christianity. *We spend more money on education than ever, but kids can barely read and write--let alone reason with discernment.* Yet they're well informed on *gender ideology*.

**We've ceded our kids' minds to the left for far too long**

**Pete Hegseth** says no matter what *political skirmishes conservatives win, progressives are winning the war*--by controlling the minds of future citizens. We need to recover a *lost philosophy of education - grounded in virtue and excellence* - that can enliven future generations to fight for freedom.

**America's Marxist Public Schools**, pt 2.

*Issues in Education program #1893*

We are witnessing a spiritual war for the future of our nation using schoolchildren as pawns. **Alex Newman**, who wrote magazine articles in *The New American: Rescuing Our Children*, says there is a deliberate dumbing down of children using a reading method that's a *proven failure* to produce a people *ignorant of history and functionally illiterate*. The founders of public education, Horace Mann and John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern *used in communist countries*, to transform America to socialism and *communism*. Their socialism is working! They are transforming our nation.

**Sex Identity Confusion**

*Issues in Education program #1903*

**Michael Gurian**, author of *Raising Boys By Design*, says boys learn differently than girls and need to be taught differently. **Gov. Ron DeSantis** signed legislation to protect grade school kids from being sexualized. Other guests: Lt Gov. **Mark Robinson** and Pastor **Jack Hibbs** of *Calvary Chapel Chino Hills, Ca*. A Supreme Court justice can't define the word "woman" yet she is determining Supreme Court cases. **Dennis Prager** says the confirmation of Judge Jackson will be the decline of our civilization. Judge **Ketanji Jackson** could not answer when life begins, meaning she has the same ideology as those who legalized child killing in 1973.

Sen. **Josh Hawley** asked Berkeley Law Professor **Khiara Bridges**, what she meant when she referred to "people with the *capacity for pregnancy*." *Was she referring to women?* No, she *wasn't referring to women* but to trans-**men**, ie. dykes, who are *women trying to look like men*. They, not real men, are capable of pregnancy. But normal people know that *only women get pregnant! Not pretend men*.

**Matt Walsh** producer of *What is a Woman* gives a powerful speech to the Loudoun Country School Board telling them that they are *deceiving naive children* by saying *masculine girls are boys*. That's lying to children. *Feminine boys* are NOT **girls!**

**Man Arrested For Opposing His Child's Gender Transition**

You couldn't make this horror up. The left is legally institutionalizing the denial of a parent's rights! A Canadian father *was arrested after he violated a court order* and called his daughter "**she**" and not "**he**"! Does everyone get to make up *their own definitions* or do words have *meaning for everyone*? Jesus said, *From the beginning of creation, "God made them male and female."* Mt 19:4

**A Godly Education**

*Issues in Education program #1902*

Radio hosts **Kevin Swanson** and **Adam McManus** say putting a Christian in public school is like playing Russian roulette with their education, their beliefs and their souls. But instead of one bullet, there are 4 or 5 bullets in the gun. Public schools rob children of their innocence and confuse them with critical race theory. **Dennis Prager**, said, "The one thing people can do to fight against the Leftist destruction of our nation is to take their children out of public schools." **Carole Joy Seid** said, "The most effective tool in shaping a child's character is *great literature*." *The right book at the right time can change a child's destiny.*

## The Tragedy of 911

Issues in Education program #1901

How would you overcome extreme fear and panic and remain calm if you were in the World Trade Center's towering inferno on 9/11, and you were completely *blind*? Listen to a total triumph of trust in this horrific catastrophe as a blind man, **Michael Hingston**, describes his miraculous survival in the face of imminent death. **Michael Hingston**, the national ambassador for the *Braille Literacy Campaign*, is the author of *Thunder Dog*. Although Roselle, Mike's guide dog, was intensely focused on guiding him to safety, she remained calm and even gave a firefighter a kiss on his final trip up the stairs.

## May God Save Our Nation

Issues in Education program #1897

Jesus said, "You are the salt of the earth, but if the salt loses its flavor, how shall it be made salty again? It is then good for nothing but to be *thrown out and trampled underfoot by men*". When millions of Christians don't bother to vote, *how are they salt as Jesus commanded?* How can Christians be motivated to take part in the political process that will affect all of our basic rights? Pastor and former US Senate candidate, **Bishop EW Jackson**, says, "The redefinition of gender, life, biblical morality and all our basic rights are involved in this upcoming election. The Democrat Party and the Left have become the Marxist Party, a very anti-God Party." He gives a *powerful, passionate oration* using the Bible to motivate followers of Christ.

## Choosing Your Child's Future

Issues in Education program #1896

What is the PURPOSE of educating a child? Just to learn academics? Don't ask what kind of education is best, ask *what kind of person do you want them to become?* **Bob Gannage** says schools omit God in creation and history. **RC Sproul, Jr**, a home school expert, says home schooling *is a joy* that produces children who relate well with people of all ages. **Ed Gandy** built a \$4 million school and hired public school teachers from his church to give his church kids a Christian education.

Why do expensive mega-church buildings sit empty during the week and the kids are **school** down the street? **What will it take for Christians to get their kids out of th**

*All it takes is a little motivation!*

A man walking home from work took a short cut through the cemetery. He didn't see the open grave and fell right into it. He immediately started desperately trying to get out. But his best efforts failed. He sat in a corner of the grave until a drunk *stumbled into the grave*. The drunk *tried to climb out*, clawing frantically at the sides. The man reached out his hand, touched the drunk on the leg, and said, "*Friend, you can't get of here...*" **But he did. He shot right up! That's motivation. That's the kind of motivation Christians need to get their kids out of pagan public schools!**

*Dietrich Bonhoeffer*, who was martyred by Hitler said, "**Silence in the face of evil is itself evil: God will not hold us guiltless. Not to speak is to speak.**"

HUMOR

When your steak is on the grill, your mouth watering, do **vegans** feel the same when mowing the lawn?

*How can eating a 2-pound box of chocolates make me gain 5 lbs?*

People who say there is *no such thing as 'gender'* are selecting *Kamala* because she is a female.

*Democrats claim to be against foreign interference in elections yet want illegals to vote.*

Your father's new job has 500 men **under him**. He is cutting grass at the cemetery.

The undertaker said if the last payment wasn't made on your grandmother, within 7 days, up she comes.

Lot's wife was a pillar of *salt by day* but a **ball of fire by night**.

We knew it was going to be a bad day when our horn went off accidentally and remained stuck as we followed a group of Hell's Angels on the freeway.
