"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land." 2 Chr 7:14

There have been *decisive times* in our history when *our future* was determined. We are at a *defining* moment as our nation is in *grave danger*, because it's at war with the *will and purposes of God*. We are on a *collision course with God*. All of America's brilliance and wealth couldn't stop a microscopic virus from shutting down our nation as never before. Our wealth and scientific achievements are no match for the *Creator of trillions of galaxies*. Our nation's future hangs in the balance between God's *mercy* and God's *judgment*.

Is this plague God's judgment or just a deadly form of the flu?

The U.S. leads the world not only in terms of coronavirus deaths but total number of confirmed cases with 5.4 million cases and more than 171,000 deaths— more than any other country. *Why did the plague strike America more severely? America, like ancient Israel, was consecrated to God*. Our blessings of abundance, peace and prosperity came from God. But as a nation, we *have forgotten that it was God who blessed us*. As Lincoln said, "We have been the recipients of the *choicest bounties of Heaven*. But we have *forgotten God*. We have *vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own*. **Intoxicated** with *unbroken success*, we have become *too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us!*"

If Americans *don't humble* themselves, *God will*. If we repeat the same apostasy that ancient Israel did, *those blessings will become curses* as it did in Israel, and they were destroyed! And they were *His chosen people!!*

Our nation hasn't just removed God's Commandments and standards from our schools and public places, we are *accelerating toward inconceivable evil - brazenly promoting immorality*. America has not just ignored God and His Word but *vilifies those who want to promote righteousness* and punishes those who oppose evil.

Killing children is the epitome, the definition, of EVIL

One of the harbingers (warnings) from God, that precede His judgment, is murdering unborn children and brazenly celebrating the killing of them. If Nazi Germany deserved destruction for their holocaust murdering 6 million Jews, how much more does a nation like ours deserve it? We have murdered **TEN TIMES** more, *tearing apart, butchering and burning alive 60 million innocent children inside their mother? Killed by the very ones who were entrusted to protect them, their mothers!*

The Harbinger II, parts 1 & 2 #1692 & 1693

Jonathan Cahn, author of *The Harbinger II – the Return*, said, "It was **19 years** after Babylon's first invasion of Israel that Israel was destroyed. 19 years ago, on 9/11 2001, America was invaded. The pattern is 19 years! That means without prayer and repentance, *America could also be destroyed*. This Corona plague has caused a total shutdown of our economy, shuttering businesses, and locking people in their homes and in the USA as travel is banned world-wide. America is following the same pattern and getting the same harbingers (warnings) that God gave Israel before it was destroyed. The similarities between America and ancient Israel are shocking."

Cahn is calling for a national day of repentance and prayer on September 26th in Washington DC.

America may have forgotten God's Ten Commandments, but God hasn't forgotten them!

We are still accountable for them.

Some people say America is too big, too far-gone, too diverse to turn back to God. But God says, "If **ONLY MY PEOPLE**, who are called by My Name will humble themselves and pray...He will forgive and heal our

nation.” 2nd Chronicles 7:14 was written to ancient Israel, but it applies to America, because this nation also made a Covenant with God like Israel.

Does God hear and answer prayers like that today?

God has given us examples of His mercy, forgiveness and restoration:

- ❑ April 30th, 1863, *Lincoln called for a Day of Fasting, Repentance and Prayer, and America was united.*
- ❑ In 1980, believers came together in Washington D.C. in a sacred assembly. Less than a month later, **Ronald Reagan was nominated for President.** Reagan said on the eve of his election “*Its not bombs and rockets but belief and resolve, in humility before God, that is the source of America’s strength.*”
- ❑ On Reagan’s inauguration, he held up his right hand to swear an oath, as his **left hand rested on a page in the Bible that he had chosen, on 2 Chronicles 7:14, “If my people who are called by my name...”**
- ❑ God heard and healed our nation along with the fall of the Soviet Union and collapse of communism.

The course of world history pivoted on that ancient Biblical promise and our nation was given another chance.

- ❑ Nineveh, the capital of mighty Assyria, was mightier than Babylon. It was diverse like NY, City. It was HUGE! It took *three days* just to walk around its perimeter. There were over a million people living there. But God determined that He would call this pagan nation to repentance. God sent an Israelite named **Jonah** to go to his *archenemy* and proclaim, “Forty days and Nineveh shall be overturned.”
- ❑ To Jonah’s amazement, the King *believed God* and proclaimed, “Who can tell **if God will turn away from His fierce anger** and we perish?” The king ordered everyone to turn away from their evil and repent. God restored this repentant nation and granted it a reprieve from destruction for 160 years. **Only God can do that. Only God can return America to Himself. Nothing is too hard for God. God stands ready to manifest Himself to a generation that has never seen His love.** But if God’s judgment is to be averted, **we must meet His conditions.** God gave this ultimatum to ancient Israel, “IF My people will humble themselves and pray and turn from their evil ways...*I will hear, forgive and heal their land.*”
- ❑ **Passover** was the time when the Israelites were told to go inside their homes and stay there because a plague was passing over their land. There has never been another national lock down until now. For the first time in 3000 years, the world is in lockdown.
- ❑ Just as the Israelites were protected by putting the blood of the slain sacrificial lamb on their front door, to protect them from the plague of death, so those who put their faith in the blood of God’s sacrificial lamb, Jesus, will be protected and saved from an **eternal hell.**

I Have Walked With the Living God #1694

One man has brought *more people to Christ* than just about anyone else in our time. *Hundreds of millions* of people have come into the Kingdom of God through the ministry of **Pat Robertson**, author of *I Have Walked With the Living God*. 90 year-old Pat Robertson is the founder of the *first cable network in America* in 1960. He founded **CBN**, the *Christian Broadcasting Network*, that’s seen in 159 countries. He founded the **700 Club**.

- ❖ As a response to Christianity being eliminated in schools and public places, **he founded the ACLJ**, the *American Center for Law and Justice*, which employed the talents of **Jay Sekulow**, and the ACLJ has won many Supreme Court victories for religious freedom.
- ❖ As a response to *educrats* tossing **phonics** out of public schools – creating generations of functional illiterates, throwing out multiplication tables for *the new math*, and indoctrinating students with the wonders of socialism over capitalism, Pat Robertson founded Christian schools like **Regent University** which has 11,000 students.
- ❖ He served as a *Marine Lieutenant in the Korean War*, living in a tent when it was so cold that his boots had to be broken free from the frozen ground to put them on. It got as low as -20 (minus 20) degrees.
- ❖ He ran for President in 1988 and finished 3rd. Pat has a Juris Doctorate from *Yale* and a Masters from *NY Theological Seminary*.

Pat Robertson is a *living legend*, the son of a US Senator, but he had a humble beginning. Pat and his wife were so poor, they bought the left over vegetable at the *Fulton Street Market* in downtown Manhattan after the vendors had sold most of the good stuff. They stored their food in a pantry that had large rattraps set to catch rats that came for dinner! Many of the dinners were interrupted by the snap of the rat trap that exploded the bodies of the uninvited dinner guests.

Before coming to Christ, Pat was a ‘hot-shot’ attorney, entrepreneur, and society playboy living the life. After a steak and red wine dinner, Pat and Dede got down to business before they were married, and the result was a baby boy they named Gordon.

Pat Robertson’s book, *I Have Walked With the Living God, is an authentic look at one of America’s greatest followers of Christ*. He has inspired generations that will live long after he is enjoying rewards in heaven!

Voting Biblically #1695

America was a model for the world. But now our nation is on the verge of God’s judgment. Why have pastors become silent on social and political issues? Pastor **Jim Garlow**, author of *Well Versed – Biblical Answers to Today’s Tough Issues*, says, “It’s not about right vs left but Biblical vs anti-Biblical. Polls show Christians want their Pastors to teach on *Biblical solutions to current issues*, but silence **from the pulpit has led to Biblical illiteracy. Pastors self censor**. There has never been a church lose it’s tax exemption for speaking out! **Political freedom, economic freedom and religious liberty are ALL equally essential!**”

- ❑ The House approved in July of 2018 a bill allowing **churches to engage in politics** without losing tax-exempt Status. Pastors are also free to endorse candidates if they do so as private citizens.
- ❑ In 2016, Robert **Jeffress**, pastor of a Dallas mega-church, endorsed Donald Trump.
- ❑ Liberal churches like Jeremiah Wright’s church, did endorse President Obama.
- ❑ President Trump, in May of 2017, signed an executive **order to remove the threat from the IRS** when pastors speak out on behalf of political candidates. Trump said, “For too long the federal government has used its power as a weapon against people of faith. You’re now in a position to say what you want to say. No one should be censoring sermons or targeting pastors.”

Many pastors say they don’t discuss politics. Does that mean they would have remained silent on slavery?

Politics is not our primary purpose, but it enables us to achieve our primary purpose - to keep our freedoms so we can impact the nation for Christ! The great horrors of the gas chambers didn’t begin in Auschwitz. They began in the minds of people who had forgotten God and abandoned His absolute values, who made the **state their god** in determining who lived and who died.

End Times President #1691

Our nation is as divided as any time in history. **Paul McGuire**, a world renown Bible prophecy expert and author of *Trumpocalypse – The End Times President, a Battle Against the Globalist Elite, and the Countdown to Armageddon*, says God is giving our nation a **Divine Reprieve** before He brings His righteous judgment. Right now, God still holds out his **Divine Grace** to repent and turn from our apathy and wickedness and pray and seek Him while He is open to us. He says in the coming one-world globalism, you will be required to take the mark of the beast or be martyred. God could allow a catastrophe to bring America to repentance.

Electing Righteous Leaders #1690

Our guest, **Libby Emmon**, tells how schools are teaching *racial prejudice by teaching students that their worth is based on skin color!* Pastor **Bishop EW Jackson**, the great-grandson of slaves, served in the Marine Corps, graduated from Harvard Law School, practiced law and was a preacher in Boston, and ran for the US Senate from Virginia in 2012. Bishop Jackson says, “Scripture tells us to pray for those in authority. If we’re to pray for them, certainly we should rejoice that we can select them. Voting is a gift from God. Don’t throw it back in His Face. In this country, we choose our leaders. Socialism eliminates freedom and brings economic stagnation and oppression. God is not finished with America and wants to bring victory and revival if God’s people do their part. Do we want socialism or limited government under our Constitution?” When half the Christians don’t vote, how are they being the salt Christ told us to be?

Eye Witness to Nazi Germany #1689

“Hitler didn’t take Austria by force; we elected that monster in 1938 when 98% voted to annex Austria to Germany because of the economic collapse, lawlessness and chaos,” says 94 year-old **Kitty Werthmann**. The Nazi Party was the *Socialist* Party. Guns were registered then confiscated. Handicapped people were euthanized. Hitler sounded like a pro-family American politician. School children were indoctrinated, the cross of Christ came down and a picture of Hitler went up. Out of 18,000 German pastors, only 200 refused to sign a loyalty oath to Hitler. Many Germans said Hitler was a gift from God.

Hitler's message to pastors was, "You pastors should worry about getting people to heaven and *leave this world to me.*" Sounds like *separation of church and state!* They may have had great bible studies, beautiful music and fellowship. But they neglected the most important issue of their day. Martin Luther stated, "Christianity is not Christianity until it *impacts the culture.* It's cowardice to claim you're preaching the gospel *if it doesn't impact your culture. Anything else is empty religiosity!*"

Irena Sendler saved 2500 Jews, mostly children, by smuggling them out of the Warsaw Ghetto in the bottom of her tool box or in a burlap sack. In 2007, Irena Sendler was nominated for a Nobel Peace Prize, but she wasn't selected. The **winner was Al Gore** for his slide show on *Global warning.* The following dictators were nominated for the Nobel Peace Prize: Mussolini (1935), Hitler (1939) and Stalin (1945, 1948). And the **2009 Nobel Peace Prize** was awarded to President **Obama**, who was nominated *less than two weeks in office!*

Donald Trump has done more for bringing peace to the Middle East than any president in our history, yet he has won no Peace Prize! Why? Is it because he is a conservative and a Christian?

President Trump's peace deal between Israel and the United Arab Emirates, known as the "Abraham Accord," is a big deal. You can tell it is a great achievement, because the media largely ignored it or dismissed it. Barack Obama received the Nobel Peace Prize for nothing. Why didn't Obama get this treaty done? Probably because they were too busy *appeasing Iran and throwing Israel and other moderate Arab countries under the bus.* They believed that the only way to get peace in the Middle East was for Iran to prevail.

God, Trump and Covid #1688

Was Covid-19 a warning from God? **How will this Covid plague affect the election?** **Steve Strang**, the Founder of *Charisma Magazine*, the only national evangelical magazine to endorse Trump, while *Christianity Today* says **Trump should be removed from office.** Steve Strang, the author of *God, Trump & Covid-19- How the Pandemic Is Affecting America's 2020 Election*, says the corona virus was manufactured as a weapon! Strang asks, "Where is God in all of this?" He said, "In 1986, a prophecy by David Wilkerson warned about a plague that would shut down the schools, churches, restaurants, bars and businesses. But would force believers into radical *prayer that will spark an awakening.* If Trump loses, *we will see a great depression.*" Cut of **President Trump** saying *rewritten history makes our founders into villains instead of the great men they were!*

The Leftist 1619 Project

The Leftist *1619 Project* is a Leftist attempt to deceive naïve children about our history. It claims slavery was *the basis of our capitalist system.* *1619 Project* gets it's name from the year 1619 when the first African slave ships were off loaded in Virginia. The truth is that the first American Colonies voted to abolish slavery in the first years of our Republic when every other country had slaves. They don't teach that **620,000 Americans died to end slavery in our bloody Civil War.**

- ❑ How ironic that the Party who freed the slaves is called "racist" by the Party that owned slaves and started the KKK!
- ❑ How ironic that people who have *never owned slaves should pay slavery reparations to people who have never been slaves.* 620,000 Americans died to *end slavery in the Civil War.* But that's not enough for the Left who want us to pay reparations to those who were never slaves.
- ❑ When the media is more upset that the President held up a Bible in front of a church, instead of the *vandals who set it on fire*, that tells you all you need to know about the media.

Those who criticize Trump for his language or tweets, look what he has done!

- ❑ He has done more to *defend religious liberty than any president in modern history* providing \$50 million a year for the promotion of religious liberty and imposing sanctions against governments that restrict religious freedom which is particularly important, because the Chinese Communists are exploiting the coronavirus as an excuse to demolish churches!
- ❑ President Trump suggested that schools that refuse to reopen should *refund parents* so they can put those resources to use. **53% of voters who are parents like the idea of using public school funds to provide educational options for their children if their local school refuses to open.**
- ❑ Pelosi invited *illegals* to the *State of the Union* message while Trump invited *victims of illegals!*
- ❑ **Russia didn't donate to Trump but to Clinton, yet Trump is investigated FOR YEARS!**

Our 74 year-old President Trump coming back home from work at **2AM** gets back home exhausted, with his tie open and hat in his hand feeling that an accomplished day is finally over only to start another day before the sun rises! Trump left his massive mansion where he could retire happily and play golf all day but put his wealth aside and went to work for \$1 a year, for us, for America! While other presidents became rich from the presidency, Trump LOST over **2 billion dollars of his wealth during his short 4 years as President**. He put his amazing retirement lifestyle aside to restore America to greatness, but the thanks he gets from the Marxist media is *slander and lies* by the Left Democrats! **He doesn't do it for money, he already has it.**

Look at other great leaders like Churchill, Lincoln, George Patton! They weren't politically correct yet God ordained them to meet the *crisis of their time*.

Churchill used coarse language, drank brandy and smoked cigars that offended some PC types. But Britain needed a strong uncompromising leader to stand against the Nazi war machine. It was a life or death struggle for survival. No easy victories. ***This is similar to what we face today in America.*** We are in for a protracted, costly struggle to rescue America from the wicked people who control the power centers of government, education and media!

Winston Churchill was **the embodiment of resistance**. His determination, his fearlessness, his will to fight with no option of surrender - his very spirit infused the heart of the nation with courage! In Britain's darkest hours, Churchill's plan was not only to save Britain, but also to free all of Europe from the Nazi grip. While many were shouting, "Surrender!" as *bombs devastated entire city blocks, and bridges fell, as the blitzkrieg and sirens shrieked night after night*, Churchill said, "**Surrender is not an option if you plan to win a war.**" That's great!

Trump is our Churchill today. Steve Strang said, "Our battle today is not fought with guns and tanks but ideas in the spiritual realms." We must have a **vision to take back every American power base** from the hands of wicked people for the Glory of God. If we despair and cease fighting, we will surely lose this nation. Remember the words of Churchill, "Never give up! Never, ever give up!"

Rage, Riots and Revolution #1684

There is a Marxist Revolution happening in our country, and we are losing. The tactics used since the 60's have been planned and purposeful, but there are tactics we as Christians can and should employ as well, if we are willing to act. Violent anarchists turned what began as a peaceful protest into massive riots. This is a preview of what a **Marxist revolution looks like!** Black Lives Matter is a Marxist organization. The majority of College professors describe themselves as Marxists. **Curtis Bowers**, producer of the film *Agenda-Grinding America Down*, says communist groups like *Antifa* are determined to destroy capitalism and make this nation a communist nation. Naïve city councils and mayors are cutting police budgets to stop "race riots," but that will make their cities explode in crime and be ripe for a Marxist take-over.

Freedom From Visual Fantasies, parts 1 & 2 #1686 & #1687

What God *created for beauty*, Satan **perverts into lust** of the flesh, **camouflaging sin as pleasure**. Pornography is a **lure of the enemy** that can create a sexual addiction and destroy body, soul and spirit. **Clay Allen**, founder of *Avenue*, was in bondage and broken to the point of suicide, but the Lord rescued him. Now he has devoted his life to helping others find freedom from porn through the Holy Spirit. Sexual sin isn't just about sex but the flesh's war against the spirit. Your past doesn't need to be your future. You can be a new creation in Christ! Since evil flourishes in darkness, bring it to the Light of Christ to be healed.

God created people to be visually stimulated by the opposite sex for the propagation of the species, but Satan perverted it as a lure into his dark territory. Science has shown that the brain produces neurotransmitters (pleasure chemistry) by looking at porn. As porn becomes a habit, the brain can become trained to expect a chemical rush thus it **becomes an addiction, an obsession**. **Clay Allen**, founder of *Avenue*, describes the

supernatural deliverance from the porn cycle. Many men are fighting the battle in their own flesh with the wrong weapons. The battle is not just yours; the battle belongs to the Lord. Let Him fight for you!

What's Coming Next?

Freedom loving Americans just gave up without thinking. Without a fight. Do you know what's coming next? Just a little vaccine for *the greater good*. Then we will be told that you *can't shop, attend a public event, or get on an airplane without proof of the Covid-19 vaccine*. The scariest part is that the majority of our population has already followed blindly, because they were told to do so. 6 million Jews were exterminated in Germany because 97% of the population covered to government control.

The Left's Priorities

Many of America's major cities are experiencing massive crime waves, especially a big spike in homicides. It's no coincidence that this rise in crime is occurring when the left has ***declared war on law enforcement***.

- ❑ Minneapolis, which wants to abolish its police department, has surrendered to the criminals. The police recently put out helpful tips on how to be ***mugged safely***.
- ❑ Portland has become a city of ***violent revolutionaries***.
- ❑ Chicago has become ***killing fields*** with weekly casualty figures that look worse than Kabul, Afghanistan.

Liberals run all of these cities. There hasn't been a conservative in office in decades. Ironically, the liberals blame it all on ***the police*** and want to ***defund*** the police department!

- ❑ The Austin City Council voted to gut the police budget by more than a third. The 911-call center will lose \$17 million. How would you like to ***be put on hold*** when you call 911? And they want to take away your guns. If that doesn't say enough about the left's priorities, get this: The city council approved an amendment ***redirecting some of these funds to "abortion access."*** *American Values* 8/14/20
- ❑ California Governor Gavin Newsom issued an executive order banning indoor church services in thirty counties, requiring churches to "close all indoor operations." The governor banned singing in churches. ***Singing in church*** banned by the tyrannical government? Where is that in the Constitution? Many pastors believe the Governor's authority "stops at the church house door" and that his recent orders are arbitrary, punitive and unfair. **So, where do pastors draw the line?**

"If you will not fight for right when you can easily win without bloodshed; if you will not fight when your victory is sure and not too costly; you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than to live as slaves." Winston S. Churchill

5 'Supremes' Make Up Their Own Constitution

Nevada has allowed businesses like casinos and movie theaters to accommodate customers up to 50% of normal capacity but has capped in-person church services to no more than 50 people, regardless of the church's capacity. It's an obvious ***double standard*** by the state and an ***outrageous decision*** by the Supreme Court to allow it. The Supreme Court, which is *supposed to uphold the Constitution*, is essentially ***ignoring the First Amendment's*** guarantee of religious liberty. State governments are now treating churches as if they have fewer constitutional protections than other institutions.

**It's not surprising that communist China has restricted church attendance.
But as Americans, this is shocking to hear it is happening in this country.**

Thankfully four Supreme Court justices dissented. One was justice Neil Gorsuch who wrote:

In Nevada, it is better to be in gambling than religion. The First Amendment prohibits such obvious discrimination against the exercise of religion. There's nothing in the Constitution which permits gambling at Caesars Palace over worship at Calvary Chapel.

IRONY: The Supreme Court decided that *Caesars Palace* has more Constitutional rights than *Calvary Chapel*. But *Calvary overcame Caesar* many centuries ago, and it will do so again. *American Values* 7/27/20

Burning Bibles

The burning of American flags in Portland has become a hallmark of the Left! Professional athletes kneeling to *show disrespect for our flag and national anthem* is expected by the Left. Bibles thrown on the bonfires in Portland in August shouldn't be a surprise. *The Left burns what it hates*. They attack churches and synagogues, vandalizing them and, in some cases, burning them to the ground. All the while, the major media and Democrat leaders (one and the same) are completely silent.

It's one thing to say that the demonstrators should be peaceful but to ignore the attacks on houses of worship and Bibles *shows tacit agreement*. The Left and its media lapdogs were furious when Donald Trump went to a church in Washington, D.C., to defend religious liberty! But they were silent when Leftist arsonists tried to burn the church down. That's Marxists hypocrisy.

Whenever Marxists have taken power, it has meant pain and suffering for many people but particularly for Christians and Jews. **Marxism** means that there is *no God* other than the state and has resulted in tens of millions of deaths in the old Soviet Union, communist China, Cuba, North Korea -- wherever it has taken over.

First it burns Bibles. Then it burns churches. And then they burn Christians.

"Shaun King, a leading voice in the Black Lives Matter Marxist movement...declared that statues, murals, and stained glass windows depicting *Jesus as white* should be taken down for being 'form[s] of white supremacy,' meant to be 'tools of oppression' and 'racist propaganda.'" *American Values* 8/5

- ❑ The *United Teachers of Los Angeles*, a 35,000-member NEA union in LA Unified, stipulated LA schools cannot reopen until *all charter schools are closed*, the local *police are defunded*, the wealthy are *taxed more*, there is "**Medicare-for-All**," including illegals, and the district is *bailed out* by the feds.
- ❑ The association of teachers in Durham, North Carolina, also demanded *welfare for illegals* before in-person classes resume. The DAE stipulated, "Moratoriums on rent and mortgage payments, universal health care, direct income support regardless of immigration status."

Gary Bauer of *American Values* asks, "Why do you think there *are so many people tearing down statues, burning our flag, beating up police officers, disrespecting our founders and hating our country? It comes straight from our SCHOOLS that have slowly been tearing down our history*. If there is a teacher out there, please tell me the following:

- Do you teach the truth that it was the DEMOCRATS who were the KKK? That the GRAND LEADER of the KKK was Democrat Robert Byrd, who Hillary, Bill, and Obama praised?
- That the DEMOCRATS fought the Civil war to **KEEP SLAVERY**?
- That the ghettos were created by DEMOCRATS to keep control of slaves *after they were freed*?
- That Planned Parenthood was founded to CONTROL the BLACK POPULATION?
- **Is any of this in your history books? Of course not!**" *American Values*

What would Biden do as Commander-in-Chief?

When *Bunker Biden* was Vice President, Joe Biden *revealed the names and the unit that killed Bin Laden*. On May 3, 2011, at a national event in Washington, VP Joe Biden publicly revealed the identity of the special-operations unit! The Taliban and other jihadists, *eager to avenge Bin Laden, then knew which unit to target*. Stunned and shocked, *Seal Team Six* members immediately realized they were going to be hunted by al Qaeda. Soon after Biden's reckless idiotic speech, an American CH47 Chinook was shot down by a rocket propelled grenade in Afghanistan. All 38 aboard were killed *including most of Seal Team Six*. washingtontimes.com/ June 7, 2013

Proud to marry Brian and Joe at my house. Couldn't be happier, two longtime White House staffers, two great guys.

Vice-President **Joe Biden** officiated over a sodomite "*marriage*" at the Naval Observatory on Aug 1st 2016. Biden said, "Proud to marry Brian. Couldn't be happier, two great guys." His office said the vice president *obtained a temporary certification* from the *District of Columbia* to preside over the wedding ceremony. Biden's wife Jill said, "Love is love!"

Bunker Biden

Our country cannot have a leader like "*Bunker Joe*" who hides in his basement in this covid crisis. Winston Churchill knew that. People want a *courageous leader* who is not afraid bur fearless. During WW II, London was bombed every night for 76 consecutive nights. When the air raid sirens went off, everyone was ordered to stop everything and rush to bomb shelters. But there was one man who famously did

not follow that order. While British officials were ordering the public to rush underground, **Winston Churchill** frequently went to the *rooftop or walked down the center of streets*, as if *he were daring Nazi pilots* to hit him!

- ❑ “Biden’s VP choice is Kamala Harris. Her ancestor Hamilton Brown owned seven plantations in Jamaica in 1817 with **200 slaves**. Kamala Harris is closer to the lineage of *slave owners* than *slaves*.” —Dinesh D’Souza

This coronavirus is the strangest virus ever.

It lurks in schools, but not at Home Depot. It can wreak havoc in churches; *praying people are exceptionally vulnerable!* Yet it vanishes when people stand close together holding signs, destroying businesses, homes, property, monuments, etc. Corona’s wrath is triggered when watching a marathon or a concert. It’s sneaky and can spread by buying clothes at Kohl’s but not at Target. It’s so smart, it won’t bother the first 10 people gathered, but it knows when the *11th person shows up, so be careful that’s not you!*

Has our nation lost its politically correct mind?

Obama said he wanted to *fundamentally transform America*. How can you *love* something you want to *transform*? If you told your spouse that you wanted to *transform them*, how could you *love them as they are*? Liberals have moved so far Left they aren’t just offering a different policy, *they want to destroy this nation*. Pelosi invited *illegals* to the *State of the Union* message while Trump invited *victims of illegals*. Democrats claim to be against *foreign interference* in elections yet want illegals to be able to vote. Russia didn’t donate to Trump but gave the *Clinton Foundation* \$145,600,00, yet *Trump was investigated*.

God’s Incredible Design #1685

Dr Geoffrey Simmons, a medical doctor and author of 9 books, describes the incredible design in the human body and in the marvels of nature, like the giraffe’s neck and the woodpecker’s tongue. Darwin didn’t understand genetics or how a child inherits traits from his parents, so how could he know people *evolved from apes*? Darwin wrote that whales were the result of bears going out to sea. The bears would have drowned. Dr Simmons tells of the *intelligent octopus*, and birds that fly from Alaska to Hawaii, non-stop. This couldn’t have happened gradually, they would have drowned.

IRONIES

- ❑ Irish doctors and German engineers who want to immigrate must go through a rigorous vetting process, but any illiterate *Central-American gang-banger who jumps the southern fence is welcome*.
- ❑ Other countries that have gone *Socialist are collapsing*. But it seems like a great plan for American liberals.
- ❑ A socialist is *basically a communist who doesn’t yet have the power to take your property at gunpoint*.
- ❑ If a man *pretends to be a woman*, you are required to *pretend with him*.
- ❑ People who say there is *no such thing as ‘gender’* are demanding a *female Vice-President*.
- ❑ If you *cheat to get into college*, you go to **jail**, but if you cheat to get into the country you go to *college free*.

- ❑ **Jesus** considered prayer *more important than food, sleep or speaking to crowds!*
- ❑ Jesus prayed at funerals, and the dead were raised.
- ❑ **Daniel** prayed and the mouths of hungry lions were closed.
- ❑ **Paul** prayed, and billions of people have come to know Christ through Paul’s writings!
